

## On This Side Of The Sun

By Phat

For a long time the need of a hospital here was like the weather—there was a lot of talk about it but nothing was done about it. The Sun is proud of its part in changing this. A year ago the editor was called upon to furnish a program for the Lions. He asked Mrs. Madge Holderman to speak and she asked whether she could talk about the lack of a hospital here. Told to go to it, she did the job so well that Phil Boyd moved a committee be named to start something, not as a Lions' project but as a community project. Today's fund campaign is the result. Something has and is being done about it.

**THE VILLAGE**—Now they call him Johnny 'Newsboy' DeVine. Yesterday he saw a pile of morning papers before Kenny DuBose's Thrifty which is closed on Thursdays. Desirous of doing his daily good deed, he picked them up to take them to Kenny's other store which was open. Going down the one block he sold three papers to tourists who thought he was just a good-looking newsboy. . . . Herb Samson called to tell me that the statement that Palm Springs crashed Life magazine for the first time last week was in error. He said that some time ago Life featured our own Jimmy Rogers O'Hanlon on its cover and that at another time, photographers came here to photograph Leslie Charteris, creator of the "Saint" mystery stories and Charteris, then and there, wrote another mystery for them which was printed in Life entitled "The Saint Goes West—The Mystery of the Palm Springs Playboy".

**THE SPOTS**—Have heard that "Rum and Coca Cola" thing many times but never as good as Vaughn and Whitney do it at the Rendezvous. . . . The Dunes may lose its super piano player. Joe Marino, who has been delighting big throngs nightly, got a letter from Uncle Sam this week which started out "Greetings". He went to the Indio board to see about it today. . . . Cpl. Ford Harrison, now at the air base, concert master for the Contact Caravan, gave the customers at the Lido a rare treat the other night with his impromptu violin concert. . . . Bob Hull has got two new nominations for the Hit Parade which he plays many times at the Rainbow Room by request. Will have to give you the names next week as I mailed the envelope on which I took the notes. . . . The above items on the Spots are all hearsay. I don't get around that much anymore.

**THE MAIL**—Two people wrote in this week to tell me that, for a fellow who likes figures (numerical) the way I do, I missed a good bet last week. A week ago Tuesday was Jan. 23, 1945, and it was the first time this century that the date could be written 1-23-45, all in a row. There'll be another one in December—12-3-45. The next one won't be until Jan. 23, 2045, a hundred years hence. Will put that item in the date book to remind you of it in time, providing we both are still here in 2045. One of the reminders came from John Connell, down in San Diego. . . . Charles Shewe writes, acent that item about Frank Sinatra presenting a \$50 bill to Mrs. R. R. Dunlap at Mills for an 86-cent purchase, that once in Montana a man gave him a \$50 bill when purchasing a 15-cent package of cigars. Shewe put the bill in the safe and then gave the man 49 silver dollars and 85 pennies. "He squawked and wanted to call the sale off," wrote Shewe, "but

# State Highway Patrol Swells Polio Fund in Village

Vol. XVIII—No. 27

2 Sections

Friday, February 2, 1945, to Friday, February 9, 1945

16 Pages

\$3.00 Per Year — Single Copy 7c

**NO. 1 FOR CHARITY**—First postal note sold here by Earl Knox, (in window) is being presented by Postmaster R. M. Gorham to Mayor E. E. Theriault and Mrs. Charles J. Burkett, chairman of the March of Dimes drive here. The note was purchased by post office employees and made out to the Infantile Paralysis fund. (Story on new postal notes on Page 8, Col. 3.)—Photo by Frank Partridge.

## Village Polio Drive Making Good Progress

Mrs. Charles J. Burkett, chairman of the March of Dimes drive in Palm Springs, reported this week that several substantial checks have already come in as result of appeals sent out through the mails and that the drive, which will close Feb. 15, is progressing satisfactorily here.

One of the big features of the local drive was the activity of members of the California Highway Patrol who, with Barney Ostrow, well known Villager, went around to various spots in town and left jars for the receipt of contributions to the polio drive.

**MONEY FLOWS IN**  
Sgt. Mel Kent and Traffic Officers Jim Linthicum and Harold Simpson went around with Mr. Ostrow Tuesday night and left jars at the Lone Palm, Colonial House, Chi Chi, Lido, the Dunes and Royal Palms. At all of these places the jars were soon crammed with currency and coin. Officer Simpson estimated yesterday afternoon that between \$700 and \$1,000 had been placed in the jars within a day and a half.

Captain Thad Wilson of the county CHP, Sgt. Kent and Traffic Officers Simpson and Ben Kinningsworth were here again yesterday and last night and went around with Mr. Ostrow to the Doll House, Rendezvous, Zanzibar, Luau, Racquet Club Tennis Club, Latin Quarter and placed jars there. These, too, immediately began to fill up.

The procedure was the same. In (Please Turn to Page 8)

## Haymond to Aid Fix County Red Cross Quotas

Carl Haymond of Palm Springs has been named on a special war fund committee of the Riverside county Red Cross chapter to apportion the county's \$207,000 quota among the various communities and met with the group at Riverside last week. Mrs. Edith D'Eliscu, county chairman, presided.

Mrs. Frank W. Cutler of Palm Springs is a member of the executive committee of the county chapter.

## 13 Bills Given Legislature by Assemblyman

Assemblyman Philip L. Boyd returned from Sacramento Wednesday night after adjournment of the first half of the California legislative session and plans a busy month between now and the time to return for the second half which convenes March 15.

Mr. Boyd in his first session at Sacramento introduced 13 bills, the most important of which was the Mt. San Jacinto Tramway measure. Another important measure was the flood control district bill. The others concerned agriculture and county affairs.

Assemblyman Boyd is on the Agricultural, Crime and Correction, Municipal and County Government, Social Welfare and Conservation and Planning committees.

On his return he found his desk full of mail asking him to appear at various meetings. Next Sunday he will take part in a radio forum over KPRO, Riverside, on health insurance legislation. He will also confer with the farm bureau and other agricultural groups before going back north.

## Village Escapes Brown-Out When Order Cancelled

There'll be no "brown-out" in Palm Springs.

Earlier this week reports spread that since all Riverside county was included in the WPB's edict blotting out all commercial electric signs, Palm Springs would be included in the fuel-conservation order.

Francis F. Crocker, superintendent of the Palm Springs district of the California Electric Power company, however, said that he had received no such instructions and doubted if the order would be effective here.

Practically all of the power used here is generated by water power and no fuel is used.

Then, at the last moment, the WPB rescinded its order and only parts of San Diego county and Catalina are affected by the ban on commercial lighting.

With no street lights here, illumination of walks is dependent mostly on commercial signs and a "brown-out" rule here would have made local streets dim places.

**L. A. Manufacturer 309th C. C. Member**  
Louis Tabak of Los Angeles, well known sportswear manufacturer, is one of the newest Chamber of Commerce members. He joined this week.

Walter Kofeldt, executive secretary of the chamber says the membership rolls now add up to 309.

# Village Aids Hospital Fund

## Local Spots To Maintain Same Hours

Midnight Closing Rule Will be Observed Here

Palm Springs beverage licensees, as a whole, will make no changes in present hours of business as a result of a Los Angeles decision which ruled that the state board of equalization is without power to set opening and closing hours for on-sale and off-sale liquor businesses.

On-sale lounges and cafes here will open at 10 a. m. and close at midnight as usual and off-sale places will sell only between the hours of 10 a. m. and 8 p. m.

### NO CHANGE HERE

That was the general opinion expressed by proprietors this week in a survey made in the down-town area. Hotels and clubs also will continue to observe the present hours, it was indicated.

Judge Emmet H. Wilson, in Los Angeles superior court, ruled Monday that the state board's ruling setting midnight as the deadline for serving liquor was illegal. Under his decision, drinks may lawfully be served until 2 a. m., the curfew established by state law.

### ISSUES INJUNCTION

Along with the ruling, made in an appeal by several Los Angeles cafes, he issued an injunction preventing suspension of licenses of these spots for selling until 2 a. m.

Informed of the decision, members of the state board of equalization said they would seek conformance to the midnight closing rule on a voluntary basis.

And members of the beverage industry here were almost unanimous in declaring they would cooperate.

### WILL GO ALONG

As one lounge owner declared: "The state beverage control act is as complicated as an income tax blank. There are scores of minor technicalities in it and most dealers have never caught up with all of the details. We might as well go along with the state board. If they are powerless in forcing midnight closing there are many other little slip-ups they probably could catch us on such as putting a stamp in the wrong place or an error in keeping records."

An off-sale spot owner said the 10 a. m. to 8 p. m. ruling was a big break for the dealers.

### CAN'T GET GOODS

"We're open ten hours now, some of us less. If we were open

(Please Turn to Page 8)

## Many Volunteer to Aid As Leaders in Village Girl Scout Program

With Girl Scout Commissioner Mrs. John Hookey presiding, an enthusiastic meeting was held Monday night at the Palm Springs Girl Scout Little House and plans for a training course for leaders launched.

Miss Margaret Compton Girl Scout councillor and formerly Girl Scout executive for the state of Ohio, addressed the group. She will be in Palm Springs until May and will have charge of the leadership training course.

### PLAN SIX MEETINGS

A series of six meetings will be held at which time Village women who have offered their services to lead Scout groups and conduct an active program here, will be given instructions by Miss Compton.

The response to the appeal for volunteers to serve as leaders has been generous and Mrs. Hookey emphasized that any others who

**NEW AIR BASE C. O.**—Lt. Col. Robert S. Goewey, new commanding officer at the 21st Ferrying Group, Ferrying Command, ATC, army air base here. (Official Army Photo)

## Lt. Col. Robert Goewey New Commanding Officer At Local Army Air Base

Lieutenant Colonel Robert J. Goewey, in assuming command of the 21st Ferrying Group of the Ferrying Division, Air Transport Command, at the Palm Springs Army Air Field here last week, announced, after preliminary inspection of the sections comprising the group, that it was a pleasure to become a member of the organization and that it was one of the finest bases to which he had been assigned to duty.

In taking command of the 21st Ferrying Group, Lt. Colonel Goewey relieved Major William E. Hinton, executive officer, who has been serving as acting-commanding officer since the transfer of Lt. Colonel Frederick H. Foerster to an overseas base.

### FROM RENO BASE

Lt. Colonel Goewey, who came here directly from the 3rd OTU at the Reno (Nevada) Army Air Base, has been in the Air Transport Command since his call to active service from Reserve Corps in March, 1942. In the Air Transport Command, the colonel has served as Group Operations officer at Morrison Field; Assistant Chief of Staff, Operations, of the Caribbean Wing from May 5, 1943, to July 1, 1943; and Assistant Chief of Staff, Operations, in the Ninth African Wing from July 2, 1943, to December 31, 1943. He became Chief of Staff of the North

## City Problems Thrashed Out At Luncheon

First of a series of weekly meetings of city council members as a committee of the whole to discuss civic problems was held Monday at the call of Mayor E. E. Theriault.

It is planned to have the council meet as a committee of the whole once weekly at which time important city affairs will be discussed. Mayor Theriault suggested at last week's council meeting that under the committee system where matters are placed in the hands of three committeemen, the subject is foreign many times to the other four councilmen when presented at regular meetings. It was his idea that the entire council meet weekly to become fully acquainted with all of the city's problems to permit more intelligent and speedy action at regular council sessions.

This week's meeting was a luncheon session at the Luau and attended by Mayor Theriault, Councilmen Armand Turonnet, Walter Z. Allen, Clarence A. Hyde, Maurice McCann, City Manager Ray M. Sorum and City Clerk Louise McCann.

## License Tests To be Resumed

Renewal of drivers' license tests here is scheduled for Feb. 14, the Chamber of Commerce was notified this week.

Examinations were cancelled during January because all members of the Motor Vehicle department staff were busy issuing new license plates.

With the rush at an end, regular twice-a-month tests, on the second and fourth Wednesdays, will be resumed.

## Committee Maps Final Plans Today

Grand Premiere at Plaza, Fashion Show Among Features

Final details of a campaign plan which has as its goal a \$200,000 fund with which to construct and equip the first units of a long-needed Community Hospital for Palm Springs, were being worked out today at a special meeting by Mayor E. E. Theriault's co-ordinating committee as many donations, large and small, already were being recorded at the campaign headquarters at the Desert Inn garage show-room and at the Bank of America.

Already listed in the drive and waiting only approval of definite dates were a grand premiere at The Plaza theater and a fashion show and tea.

### TO BE SETTLED TODAY

These final details were expected to be settled at today's co-ordinating council meeting.

Tentative plans, as outlined by Ernest Alschuler, vice-chairman of the committee and its publicity director include a premiere at The Plaza at which a \$50 admission charge will be levied, all of the money, except for a small portion of each ticket, to go to the Community Hospital fund. The portion withheld will go toward the purchase of a good automobile, to be awarded to someone at the show.

### PLAN FASHION SHOW

Mrs. Armand Turonnet of the committee is busy on plans for the fashion show and tea. Funds raised from this event will also go, 100 per cent, to the Community Hospital fund. Date and (Please Turn to Page 8)

Girl Scout Intermediate Troop Meeting, Girl Scout House, 11:00 A. M.

# With the Boys in the Service

## It seems to me

MOST of us  
NEVER miss the water  
'TIL the well goes dry.  
SOMEWHAT the reverse  
OF this is true  
AS regards the  
COMMUNITY HOSPITAL—  
OR the lack of one  
HERE in Palm Springs.  
TO argue that one  
IS not needed  
BECAUSE the town  
HAS gotten by  
WITHOUT one  
DOESN'T make sense.  
SO far—have heard  
NO one argue this point:  
HOWEVER, am wondering  
IF a lukewarm attitude  
DOESN'T just about  
CONSTITUTE the same.  
LET'S not wait  
'TIL the well goes dry:  
LET'S start  
PRIMING the pump—now.  
THE committee is doing  
A fine job, but they  
CAN'T do it all—  
THEY need help  
AND YOUR HELP  
IS YOUR DOLLARS.

## Clifford Campbell Wins Purple Heart In Pacific Battle

Sgt. Clifford E. Campbell, former manager of the Araby Stables here and prominent local horseman, has recovered from wounds and severe burns suffered in the battle for Angaur and is awaiting shipment back to his Cavalry Reconnaissance Troop attached to the 81st Infantry Division, friends learned here this week.

Sgt. Campbell was decorated with the Purple Heart while recovering from his wounds in a Guadalcanal Station hospital, and shortly after was transferred to a casual camp where he is now awaiting return to his outfit. He was evacuated to Guadalcanal from Angaur by air transport.

Previous to entering the Army, Campbell resided here for five years and was well known in livestock and equestrian circles. He is a prominent rodeo contestant and is known throughout the Southland as one of the West's most capable horse trainers.

Sgt. Campbell was in training in the United States for two years before going into combat. While in the Pacific theater of operations he traveled more than 5,000 miles by air and was one of the first to hit the beach with the famed Wildcat Division in the invasion of the Palau group.

To most men experience is like the stern lights of a ship, which illumine only the track it has passed.

## TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs

By Cpl. Vic Blanks

### GALA WATER SHOW COMING SATURDAY

Ted Williams, former Olympic and national swimming and diving champ and present manager of the Beverly Hills Hotel Sand and Pool Club, is bringing a troupe of Olympic and national swimming and diving champions for a gala Water Show to be presented in the Torney pool next Saturday afternoon, February 3.

Many big name stars will be present to participate in this sports revue, including Johnny Weismuller, Buster Crabbe, Norman Spears, 10-year-old Larie Elliott, Junior State Champ, and many others. In addition, Williams has promised to bring along several prominent Hollywood stars and a "bevy of bathing beauties" to take part in the full program planned for both patient and duty personnel.

### WACS COMMISSIONED

Three popular Physical Therapist trainees, members of the Women's Army Corps, received commissions as Second Lieutenant Physical Therapists in the Army Medical Department last week. The three newly commissioned officers, Irene Hoke, Theresa Tanner and Margaret Gruber, were sworn in by Col. A. B. Jones, CO of the hospital in a special ceremony held in his office.

The young ladies have completed nine months' training as physical therapy aides, the last three of which have been spent here at Torney in the P. T. Department. All three were active members of the undefeated Wac basketball team on this post. They have received orders for assignment at other Posts.

### GIFTS FOR WARDS

The American Women's Voluntary Services, prominent wartime women's service group of Los Angeles, has announced the "adoption" of one or more of the Wards in the "B" Building here at TGH. The group anticipates keeping the occupants of the Wards well supplied with eats, entertainment, games, etc., to make their convalescent period more enjoyable and to hasten recovery.

In the immediate future the members plan to donate a radio and a record player, bed lamps for each bed in the Ward and supply Valentines to each man in the "adopted" Wards to send to their wives and sweethearts. The interest of this and similar groups in the "adoption" of Wards is deeply appreciated by the patients at the hospital.

### SKETCHES PATIENTS

William MacRae Gillies, noted illustrator and artist who recently laid out and continuity work for Walt Disney on the production of Pinocchio and Fantasia was a guest at TGH this past week making portrait sketches of the patients in several of the wards. His visit has been a part of the USO—Camp Shows—Hospital Sketching Program.

Among the publications in which Mr. Gillies' work has appeared are The Saturday Evening Post, Colliers, Liberty, Sportsman and many others. He has done commercial art work in San Francisco, Oakland and Honolulu and has received illustration commissions from national magazines and advertising agencies.

Patients who were sketched this week received the original portrait free. In addition, USO—Camp Shows has arranged to have two photostatic copies made, one positive and one negative, both of which the soldiers also receive.

### INVITE SERVICEMEN

Patients and post personnel who belong to the Masonic Order

## James Mooney Wins Promotion To Lieutenant

It is now Lt. (jg) James David Mooney.

The son of Mrs. Leonore Jane Mooney, formerly of the La Paz, who just returned to the mainland after much action as an ensign with the "Fabled Fifteen" in Pacific fighting, has just been promoted, according to word here this week.

He is now stationed at Los Alamos Bay and with his bride of a few weeks, is making his home at the Newport Harbor Yacht club, Balboa.

were invited to the regular monthly meeting of the Palm Springs Masons Tuesday noon, Jan. 30, at the Desert Inn. Col. Perry Griffith, Executive Officer of March Field was the speaker.

### FILLS BIG BILL

Located in the Orthopedic Clinic is a workshop from which issues a steady stream of braces, splint and other contrivances designed to speed the recovery of orthopedic patients.

The shop is under the direction of T/4 Donald Long who hails from Portland, Ore. Sgt. Long was a student machinist before entering the service over four years ago and received his medical training at Barnes Orthopedic Hospital and Camp White, Ore., before coming to Torney. There are seven men on the shop staff. In addition to Sgt. Long, the staff includes Pfc. Charles Grabel, Pfc. Charles Haan, Pfc. Walter Crane, Sgt. Donald Kilbourne, Pvt. Frank Carmanica and Pvt. Charles Sampson.

The shop is equipped to turn out anything that might be asked of it for the use of orthopedic patients and the staff is able to deliver in short order a leg cast, arch support, spinal support brace, splint or any molded leather brace for various parts of the anatomy.

The work of the brace shop is highly complicated. Only by individual "tailoring" can the patient be perfectly fitted. Plaster molds are made of fractured limbs or backs before braces are made, and great care is exercised to make certain the braces fit perfectly and that they provide all needed reinforcement. An ordinary month's output at the shop includes approximately 50 leg braces, 10 back braces, 20 splints and 15 or more molded leather supports of various types.

Besides the job of making braces and splints, the shop is constantly called upon to sharpen and repair surgical instruments, construct special apparatus for Reconditioning and Physical Therapy and many other jobs that help keep our hospital running efficiently.

Braces help make it possible for patients to throw away their crutches from one to six months quicker than would be possible if they were not available. TGH is fortunate to have its brace shop as few General Hospitals have this service.

## Captain Clark at Merced Field as Post's Engineer

Capt. John Porter Clark, well known local architect, senior member of the firm of Clark and Frey, whose home address is 1200 Padeo El Mirador, has assumed duties at the Merced Army Air Field, as post engineer, according to official word from the field. He succeeds Capt. K. L. Rhodes, recently transferred to Luke Field, Arizona.

Captain Clark has been on active duty in the Army since September, 1942, and has had seven years of ROTC training and was on inactive status as a second lieutenant in the officers' reserve corps of the infantry from 1928 to 1933. He was an architect before donning the Army uniform.

Promoted to his present rank in September of 1943, Captain Clark was stationed at Minter Field, California, as assistant post engineer for two and one-half years before being shifted to the Merced Field. As post engineer it will be his duty to act as fire marshal as well as being in charge of ground and building maintenance. Also falling under the jurisdiction of the office will be the field's utilities, including sewage disposal and water pumping.

## John Connell Says Village Will Get Boost Out of War

John Connell, former councilman and well known Villager, gives the Desert Sun credit (in between a few good natured cracks at it) for building up post war business for Palm Springs.

"I enjoy reading The Sun in camp more than I did at home, naturally," he wrote. "But I am not the only one who does. The boys here all read it after I get through. Maybe we will get some good free advertising out of that. Everyone in the service is planning to go some place after they get out—and The Sun is interesting them in Palm Springs. We may increase our population that way."

"I like it down here—the only thing I have to complain about is the weather."

## Corporal Levi Wants Action in Overseas Area

Cpl. Robert J. Levi, son of Mrs. Lannie Pablo, and well known in the Village, is at Camp Bowie, Texas, back in the Signal Corps. He had been at Camp Maxie, Texas, where he was sent after two years in the Aleutians with the Signal Corps.

After arrival in Texas he transferred to the infantry in the hope of going overseas again but remained in Texas.

So now he's back in the signal corps hopeful that with that outfit he'll soon see action again.

Every tomorrow has two hands. We can take hold of it with the handle of anxiety or the handle of faith.

—H. W. Beecher

**GUN CAPTAIN**—Coast Guardsman Joe Omlin, Jr., coxwain, of 441 North Palm Canyon drive, son of Mr. and Mrs. Joe Omlin, serves as gun captain during alerts aboard a Coast Guard-manned vessel helping to clear the sea lanes and facilitates delivery of men and materials of war to American fighting forces in the Philippines. His wife is the former R. Jean Byram of Gold Beach, Oregon, and they have one child, Jill, two months old.

## Another Omlin to Be in Uniform of Uncle Sam Soon

Joe Omlin, fire chief at Torney General Hospital, and a prominent member of Owen B. Coffman Post, American Legion, and Mrs. Omlin, prominent in the Auxiliary to Owen B. Coffman post, now have two boys in the present World War.

Joe Omlin, Jr., has been in the Coast Guard for some time, (see picture on this page) and now his younger brother, Don, will be in uniform soon. Coxwain Joe aids as gun captain on the vessel to which he is assigned.

Don has enlisted in the Coast Guard and will be inducted into the service on Feb. 12.

Joe Omlin, Sr., is finance officer of the Owen B. Coffman post. He was a cavalry officer in World War I.

## Jimmy Partridge Now at Bay City

Jimmy Partridge, son of Photographer and Mrs. Frank Partridge, is now in San Francisco, according to word received by his parents here.

The young Villager, a graduate of the U. S. Navy's radio school, expects to go overseas soon.

## Friendly Service House to Re-Open Doors Next Week

The House of Friendly Service next door to the Palm Springs Health Center has been painted and will be re-opened for service to the community next week.

It will be open one day per week and the day has been changed from Thursdays to Tuesdays.

The House of Friendly Service was built and is maintained by the Welfare and Friendly Aid association. Used clothing and household articles are donated by Village people and are sold for a very nominal sum to people who cannot afford to buy elsewhere.

Anyone wishing to donate articles may do so by leaving them at the Red Cross headquarters, 107 North Palm Canyon drive, or by calling Mrs. Charles J. Burket, 2167, who will see that they are picked up.

## OPA Acts to Save Housewives Loss Of Needed Points

Housewives will not be caught with a lot of points on hand the next time if the OPA has its way. When blue and red stamps, long extant, were cancelled last time, no warning was given and many a family planner saving up stamps for a big splurge, was caught with valueless blue and red points.

The OPA is giving ample warning on the next cancellation.

Blue stamps X5 to Z5 and A2 and B2, which came in Dec. 1, won't be good after March 31. Neither will red stamps Q5 to S5, which have been good since Dec. 3. Red stamps T5 to X5 which came in Dec. 31, expire April 28 and blue stamps, C2 to G2, which came in Jan. 1 will also expire on that date.

Red stamps Y5 and Z5 and A2 to D2, which came in Sunday, will expire June 2. Blue stamps B2 to M2, which came in yesterday also run out June 2.

William A. Lippman, chairman of the local war price and rationing board said that Sugar stamp No. 34, good since Nov. 16, will become invalid Feb. 28 and that Sugar Stamp No. 35, which became good yesterday will be no good after June 2.

The most natural beauty in the world is honesty and moral truth.—For all beauty is truth.

**DOESN'T HE KNOW IT!**—Perched on the wrist of Pfc. Lloyd E. Breazeal, injured in France while serving with a Signal Operations Battalion, Raffles, talking Mynah bird, whistles "You're in the Army Now" in an orthopedic ward at Torney General Hospital for the raisin which his owner, Mrs. Carveth Wells holds out to him. Interested spectator is Pfc. Peter Shannahan of San Francisco, medical corpsman on the hospital staff.

## Rare Talking Bird, "Raffles" Struts His Stuff at Torney General Hospital For Men Wounded in Action Overseas

Mrs. Carveth Wells, world lecturer, traveler and author who has been the house guest of Mrs. Lucille Morrison, well known Villager, spent an afternoon at Torney General Hospital last week introducing her phenomenal Mynah bird "Raffles" in hospital wards and to an audience in the recreation hall.

Blythly whistling "You're in the Army Now," calling friends, giving a sneezing interpretation of his reaction to air-conditioning, whistling his opinion of Waves, girls in Hollywood and particularly Dorothy Lamour, Raffles performed through the greater part of the afternoon, baffling, astounding and delighting his GI audience.

Raffles was rescued by Mr. and Mrs. Wells from a snake in the Malay jungle after his mother had been killed. He talks and whistles naturally, responding to requests with an uncanny accuracy, and has appeared on most of the important current radio broadcasts, as well as on the screen and with his owners during nation-wide lecture tours.

## Pugilistic Gang Cooling Off Today In Detention Home

They just felt pugilistic and wanted to fight for no reason at all, six Mexican youths arrested late Saturday night after disturbances on Indian avenue, told police. All are in custody of juvenile authorities today.

The round-up began when Refugio (Cuco) Salazar told police that his son, Bob, had been attacked by a group of four youths, and seriously beaten. He was hit with some hard instrument and a bicycle chain was found among the youths. All denied ownership.

Statements were taken from several juveniles, boys and girls, on the cause of the trouble but no cause could be found for the disturbance other than a belligerent attitude.

On the same night some of the youths appeared in a cafe on the reservation and became abusive to the waitresses, calling them profane names, police were told.

The group was taken to Riverside by Constable Clarence Templeton.

There must be not a balance of power; but a community of power; not organized rivalries, but an organized common peace.

## Global Gab Group Sets Record With Largest Meeting

One of the largest Global Gab gatherings in the two-year history of that organization met Tuesday night at the Chamber of Commerce to discuss the question "Is There a Jewish Problem?"

Mrs. H. M. Menard was chairman of the session and the topic was presented by Sgt. Kelly.

Miss Thyra Cohen presented some interesting and authoritative papers on the subject and Capt. George W. Nador, on the Torney Hospital staff, told of medical studies in Austria and other European countries.

Cpl. Ross Parmentier will present next Tuesday's topic, "Are Culture and Civilization the Same Thing."

## Lt. June McCann Village Visitor

Lt. (jg) June V. McCann, instructor in aerial navigation at the San Diego naval base, spent the last weekend visiting her sister, Mrs. Emil A. Schissel and her brother, Ray McCann, local painting contractor.

Lt. McCann, who is in her third year of service, is on leave of absence from the Los Angeles school board, being head of athletics at San Pedro high school.

## El Chico Will Open Tonight as Dine, Dance Spot

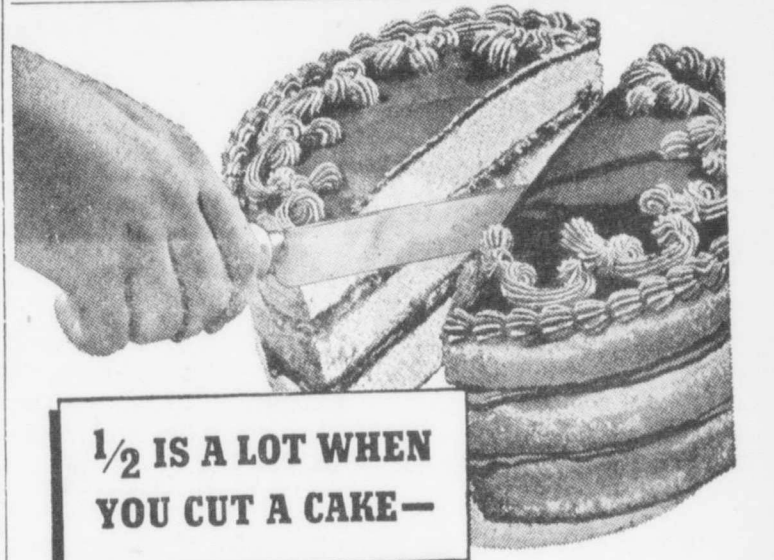

A field trip to Eagle Canyon will be held under auspices of the Desert Museum tomorrow, leaving the museum at 10 a. m. The return will be about 1 p. m.

All interested in exploring this region are invited and there is no charge.

Winfield Line will supervise the trip and Boy Scout Kenneth Youngs will be the pathfinder.

S/Sgt. Kenneth B. Garner, mineralogist, will accompany the tour to point out interesting specimens.

**1/2 IS A LOT WHEN  
YOU CUT A CAKE—**

... 1/2 is a lot to cut loan costs, too

Yes, in personal loan costs, a saving of 50% can amount to quite a bit. Remember that when you borrow. Remember, too, that the cost of a Bank of America Timeplan personal loan, repaid at maturity in 12 equal monthly instalments, can be as much as 50% less than the cost of a similar loan arranged through many lending companies... and there are no other charges... no deductions.

You need not be a depositor to avail yourself of this bank's prompt, friendly loan service. Here you may borrow for any purpose. A Timeplan auto loan may be made on your car whether it is fully paid for or not. The branch in your neighborhood will welcome your loan application.

## Lincoln's Birthday

"Public sentiment is everything. With public sentiment nothing can fail; without it nothing can succeed. Consequently, he who molds public sentiment goes deeper than he who enacts statutes or pronounces decisions. He makes statutes and decisions possible or impossible to execute."

—ABRAHAM LINCOLN

When the immortal Lincoln spoke those words, the United States was torn by Civil War—the very existence of our country threatened by bitter differences among our people.

Yet Abraham Lincoln, though he was President of the United States, clothed with all the power of his high office, knew that in the final analysis the American people, rather than the President or the Congress, would determine whether we came out of the cataclysm divided and weak, or whether we survived as a great Nation.

A true believer in democracy, he could say without loss of dignity—"Public sentiment is everything; without it nothing can succeed." And a vital part of Lincoln's great wisdom was that he never underestimated, nor ignored, the town hall leaders or the cracker-barrel philosophers of his day, the molders of public opinion who were close to the people. When there were bitter rifts in the national capital; when he had doubt, perhaps, as to which way to turn—Lincoln turned to the people for help and guidance. And in the end the people turned to Lincoln for leadership, because he had earned their trust and was responsive to their will.

As we commemorate the anniversary of Lincoln's birthday this year, it would be well if our leaders in Washington would be guided by the example of The Great Emancipator. Never was there a time in our country's history when it was more important that mutual confidence should exist between the people and their representatives. Never was there a time when molders of public opinion—whether they be preachers or teachers, publishers or public officials, business men or labor leaders—owed such a vital responsibility to the Nation to use their influence for the welfare of the country and humanity.

## My Kingdom for a Pin!

One of the strange aspects of our war-time economy is that little things could produce such big, serious shortages—such little things, for instance, as pins.

For want of a pin, babies have been known to step right out of their three-cornered pants, a disaster of no little consequence in any self-respecting household.

We are happy to note, therefore, that the OPA reports there are now enough safety pins being manufactured to meet all essential needs. "Essential needs" were not defined, but we must assume that diapers would call for an A-1 priority.

Common pins, the OPA admits, still will be uncommonly hard to find, however, as production is below requirements.

## With Such as These America is Safe

Although the sacrifices being made by the young people of today for their country, are now being taken for granted by many, they are so common, once in a while an instance comes to light that makes the older generation really appreciate these young people. Two such cases were told of in a letter recently received in Banning. It tells of two young servicemen and what they have done for their country.

One young man, son of a wealthy Denver man, left school as a Freshman in high school to join the Coast Guard; then the Navy in 1939, at Manila. From 1939 he served in China and on December 7, when war broke out, was in Manila. Up until that time he had been serving under his brother; but on the day of the invasion, through field glasses, saw him captured by the Japs. This young man escaped from the Philippines by way of Baatan and Corregidor. He has been wounded three times. The last time he was in the hospital nine months. Instead of the honorable discharge offered him, he went back into the service.

A friend of the young man who suffered permanent injuries in a Japanese bombing at Saipan continues to serve, although he, too, could have had a discharge.

## Legion Committee to Start Discussion Of Plans for Palm Springs World Wars Memorial at Meeting Here Monday Night

Initial plans for a World Wars Memorial to honor the hero dead of World Wars I and II will be taken next Monday night when a committee of Owen B. Coffman Post, American Legion members, appointed today, meets to start the program.

The committee consists of Jack Holditch, chairman, Herbert Samson, Art Wills, Marvin Sale, Earl Coffman, Charles Mathews, Al E. Hoover and Robert Ransom.

The World Wars Memorial for Palm Springs has long been a cherished project of the local post and at Monday night's meeting, discussion of the form the Memorial shall take and proposals from the various members will be heard.

Mr. Holditch has been active all week on a Memorial plan study and will make his report Monday.

The project envisions a Legion club house erected in memory of those who have made the Supreme sacrifice and also for those men and boys who fought in 1917-1918 and in the present conflict.

## Your Post-War Car

Breathes there the man, with soul so dead, who never to himself hath said—Gee, how I want a new auto!

If such there be, he should skip this editorial.

This is written for nine million other guys (and their wives and children) who, according to the automotive statisticians, are all yearning for the first new post-war models.

The news is neither all good, nor all bad. While the future is expected to bring great advances in car mechanism, due to the war-time development of greater-powered engine fuels, new synthetics, new plastics, etc., improvement in engine performance is a long-term job—and there will be few mechanical changes in the first after-the-war automobiles.

The new 1946-47 models (and that's about when you can expect them!) will, however, embody many design changes—such things as new grille patterns, new types of upholstery, rakish fenders and eye-appeal gadgets. The new dashboards, in fact, will be out of this world, with dazzling instrument panels that will delight mother, fascinate father—and captivate junior.

Contain yourselves, though, gentlemen, because the auto authorities fear that the first cars may be rationed, as the demand doubtless will exceed the supply. The potential post-war demand, say the experts, will approximate 9,000,000 cars, while the output during the first year of production probably will be around 2,000,000. But after the first year, production will really get into high—and by 1947, if Germany is defeated during 1945, auto salesmen will be calling at your door, pleading with you to try out a new model.

## Violent Death Stalks the Home Front!

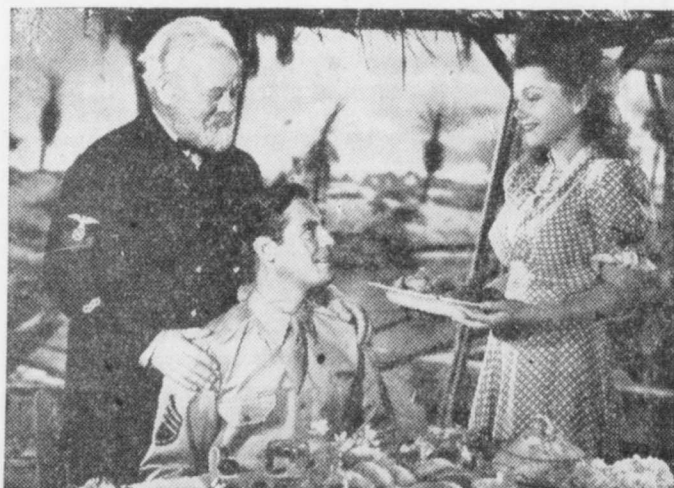

Although casualties on the war front are tragically high, it is an appalling fact that accidental deaths in the United States, since the outbreak of war, have been nearly three to one over combat fatalities.

If our list of dead and wounded on the Western Front ran as high as our roll of dead and maimed on the home front, the whole Nation would be in mourning.

Yet, while war deaths shock us, we are still complacent about violent accidental deaths in the homeland, most of which are the result of carelessness, thoughtlessness or negligence—and which could be prevented by the exercise of reasonable caution.

The National Safety Council, warning that Winter months are exceedingly hazardous months, has launched a campaign to cut down our terrible home front death toll, appealing to people in every walk of life to protect their own lives, and the lives of others. "There is a lot of difference between the risks a fighting man must take and those we thoughtlessly invite," declares the Safety Council. "His risks may shorten the war; ours may prolong it."

If you want to live out the war, and greet that soldier son when he comes home, be careful on the job; be careful in the home; be careful on the street—and when you drive, be doubly careful. Death at an intersection is just as final, just as cruel for the family and loved ones, as death in a fox-hole. Let's be careful.

AT THE PLAZA—Scene from "Sunday Dinner for a Soldier," a story of love on leave starring Anne Baxter, John Hodiak with Charles Winninger, at the Plaza theater Feb. 7 to 10.

### SQUASH

Don't you remember the time your fussy Uncle Ezra said he could tell the difference between pumpkin and squash pie? Your Aunt Emm: laughed. She was cutting a second helping for Uncle Ezra — "the second helping" was none other than a squash pie special.

Which only goes to prove that you can use steamed squash in many recipes which call for pumpkin.

Merely using squash in place of the same amount of pumpkin will fill the cry, "We want pumpkin pie."

Remember to use evaporated milk, undiluted, in place of the top milk or cream; or you may use evaporated milk in place of the regular milk by merely diluting with an equal part of water. The total diluted milk must equal the amount of milk in the recipe. This is just another easy way to add extra milk to the family diet.

### "WINTER" ICE CREAM

Perhaps you have decided that ice cream is the easiest way to include milk for children. Milk does have the phosphorus and calcium needed to build sturdy bones and teeth.

So, if it's frozen dessert you wish, why not a "winter" ice cream? This slightly spiced sweet has a custard base of eggs with whipped evaporated milk.

### SQUASH COOKIES A TREAT

If you have the large, long banana squash, try a batch of cookies.

Steam the pieces of squash till tender — this may take about 20 minutes. Scrape from the shell. Cool before adding to the cookie recipe.

These drop cookies can fill the cookie jar or can be kept in a re-serve for afternoon tea. They will retain moisture much longer than most cookies.

When you are considering a one-dish dinner, unite squash with pork sausage. The pork sausage in the center will flavor the vegetable. Allow a good-sized piece (4½ inches) of the hard-shelled squash for each person. Usually about one-third pound per serving is enough. Bake at 375° for 45 minutes or until tender.

### STEAM SQUASH

If you wish to steam any of the hard-shelled squash for a vegetable, the time varies from 20 minutes for the soft kind (banana) to 30 minutes for the other varieties.

A dash of nutmeg stirred in just before serving is a new trick. Mix equal parts of mashed rutabagas and squash for those members who object when rutabagas are served alone.

These are just a few of the many ways squash can be served. Your family will try new dishes if you serve them with enthusiasm. New dishes are a treat.

### "WINTER" ICE CREAM

1 tsp. cornstarch  
¼ c. sugar  
½ tsp. cinnamon  
¼ tsp. ginger  
1 c. milk  
2 egg yolks, slightly beaten  
¼ c. sieved cooked squash  
¼ c. undiluted evaporated milk, whipped  
½ tsp. salt  
½ c. broken pecans (optional)  
2 egg whites, stiffly beaten

Set cold control of refrigerator at No. 1 position. Mix cornstarch, sugar, cinnamon and ginger. Add milk and beaten egg yolks. Cook in top of double boiler until thick, stirring constantly. Add squash and salt. Cool. Fold in whipped cream, nuts and egg whites. Freeze. Return cold control to normal position.

### BANANA SQUASH COOKIES

2½ c. all-purpose flour, sifted  
3 tsp. baking powder, double acting  
½ tsp. ginger  
½ tsp. nutmeg  
½ tsp. cinnamon  
½ c. shortening  
½ tsp. salt  
2 eggs  
1¼ c. brown sugar, firmly packed  
1½ c. squash pulp  
1 c. seedless raisins  
1 tsp. vanilla  
1 tsp. lemon  
1 c. nuts (optional)

Sift flour, measure; sift again with dry ingredients. Cream shortening gradually with sugar. Add eggs one at a time. Add squash, raisins, nuts, extracts and mix thoroughly. Drop from teaspoon onto oiled sheet. Bake at 350° about 15 minutes.

### Papers Filed by Broadcasting Firm

Donald C. McBain of Los Angeles and Richard W. Joy of Glendale, have filed papers with County Clerk G. A. Pequegnat to do business under a fictitious name, "The Palm Springs Broadcasting Company".

They plan to build a station out on the desert with studios down town in the Village.

## "I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

The body of precedents which make up the inauguration arrangements began to accumulate, as customs and traditions do, with the first inauguration of Washington. At that time the Capitol was in New York, so on April 30th, 1789, Washington took the oath of office in the Senate Chamber of Federal Hall, New York City.

Before the second inauguration, March 4th, 1793, and for the third, March 4, 1797 (John Adams) the Capitol had been moved to Philadelphia, and the oath was taken in the "Old State House."

From the fourth, March, 1801, to the inauguration of Tyler in 1841 all Presidents took the oath in the Capitol at Washington. Tyler, who followed Harrison, was a vice-president taking office on the death of a president, and the oath in such cases has always been given immediately and at the most convenient place. Tyler took it in Brown's Hotel, Washington; Johnson, on the death of Lincoln, took the oath of office at the Washington Hotel; Arthur, following Garfield, took it at his residence in New York City; Theodore Roosevelt, after the assassination of McKinley, took the oath at the home of Ansley Wilcox in Buffalo; Calvin Coolidge took the oath of office by lamp-light in the little family home in Plymouth, Vermont, where his father was Justice of the Peace.

The Presidents-elect have always come to the Capitol. When the date, March 4th, fell on Sunday, the ceremony had been held the following day. After the Hayes-Tilden campaign, there was bitterness and some loose talk about "not letting Hayes take office," so since the 4th fell on Sunday, Grant invited Hayes to the White House on Saturday the 3rd, where he privately took the oath. On Monday the 5th, he came to the Capitol and took it again, following custom, and in connection with the formal ceremonies.

At Wilson's second inauguration, the 4th again fell on Sunday, and it is interesting to see what he did. He took the oath of office on Saturday the 3rd, but he came to the Capitol and took it in what is called the "President's Room" adjoining the Senate Chamber; then on Monday the 5th he again came to the Capitol, took the oath publicly and reviewed the inaugural parade.

The custom of taking the oath and reviewing the parade from the East portico of the Capitol started with James Monroe in 1817, but it was skipped for two inaugurations, 1821 and 1825, because of bad weather, a condition which those of us now in Washington will understand. From Andrew Jackson in 1829, to Roosevelt in 1944, in spite of the weather, it had been held at the Capitol in the presence of all who wished to attend.

This year, for the fourth inauguration of the present president, the ceremony as held at the White House on the South Portico. Those who saw the ceremony came by invitation only. The lawn South of the White House had been divided into sections for convenience in handling the guests. The section, directly under the porch, reserved for the members of Congress, had thoughtfully been covered with green tarpaulins, avoiding what otherwise would have been slushy and sloppy ground under foot.

Immediately following the inauguration, there was a White House reception, to a "family sized group" of about 2,000. The President did not appear; Mrs. Roosevelt and Mrs. Truman shook hands with all the guests.

Mrs. Phillips and I went to the inauguration and the reception. We had a good time and the handling of the crowd was excellent. We may have had certain mental reservations as to how many times this particular oath of office should be taken by the same person in a Republic, and possibly a smaller reservation on the propriety of taking it "at home" or at what is technically the seat of the people's government, but it was an exceptional occasion and these are exceptional times. It was impressive and we were glad we went to it and had the opportunity to see it.

Today's greatest danger may be a blessing in disguise if we meet it with intelligence and conviction. —Roy L. Smith

Remember this also, and be well persuaded of its truth: the future is not in the hands of Fate, but in ours. —Jules Jusserand

## Famous Pianist To Play Before Woman's Club

Kato Mendelssohn, rated one of the top flight concert pianists will be presented at the Woman's club next Monday afternoon in a recital starting at 2:30 p. m. in what promises to be one of the best programs in a season of excellent programs.

A great great granddaughter of Felix Mendelssohn, famous composer, she has won much fame in her own right. She has appeared on the concert stage since she was six years of age and since then has appeared on the concert stage, guest orchestra soloist and on the radio and has won many musical awards.

Non-members are cordially invited to attend this outstanding program. The admission fee is \$1.20.

Mrs. Channing Wells will be hostess for the tea hour assisted by Mrs. Clyde White, Mrs. Jesse Ives, Mrs. Walter Illick, Mrs. Bessie Curry, Mrs. Earl Coffman and Mrs. Ernest Garland.

Mrs. William A. Lippman, president, will preside

## Lippmans Hosts To House-Full Over Week-End

They had a house-full at the William A. Lippman home last weekend.

Guests were Miss Vivian Lippman of Marysville, Mo., their niece, and Mr. and Mrs. William A. Lippman Jr., and son, Larry, aged five.

Larry will be with his grandparents all week and is a 'visitor' this week at the Frances S. Stevens school kindergarten.

No man can be provident of his time, who is not prudent in the choice of his company.

## Southern District Board to Meet at Woman's Club Here

More than one hundred club women from five southern counties will be guests of the Palm Springs Woman's club next Wednesday, Feb. 7, at the club house at a meeting of the Southern District Federation board.

The sessions will convene at 10 a. m. at the club house. Luncheon will be served at the Desert Inn at 12:30 p. m. with Mrs. H. M. F. Behneman as chairman of the luncheon committee. Reservations should be made with her.

Principal speaker at the afternoon session will be Dr. Elmer S. Nelson of the OPA who will talk on the "Threat of Inflation" in California.

Panel discussions will round out the afternoon.

## Excellent Program In Preparation for Guild Silver Tea

An excellent program is being prepared for the annual Silver Tea under sponsorship of St. Paul's in the Desert, Episcopal Guild, which will be held Shrove Tuesday, February 13, at the home of Mrs. John S. Lapp, Rock Point. A rare musical treat is being prepared for the many expected guests.

## Dinner Party for Two Birthdays

Mrs. J. W. Preble was hostess at a prettily appointed dinner party Sunday at her home, in Banning in honor of her husband whose birthday it was, and her son, George Preble of Palm Springs, whose birthday was on January 21.

Talisman roses violets and easter lilies were used as table decorations.

Mrs. Preble's guests included the two guests of honor and Mr. and Mrs. Herbert Wagner of Alhambra, Mrs. Ida Fehwehm of Springfield, Ind., Miss Bess Wagner of Pasadena, Mrs. Billie Moore and son, Billie, of Glendale, Mrs. George Preble of Palm Springs and Mr. and Mrs. A. R. Peterson of Banning.

A friend should be one in whose understanding and virtue we can equally confide, and whose opinion we can value at once for its justness and its sincerity.

—Robert Hall

## QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or it Will Cost You Nothing Over two million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. Sold on 15 days' trial. Ask for "Willard's Message" which fully explains this treatment—free—at VILLAGE PHARMACY

## Jack McDonald Host to Friends On 9th Birthday

Jackie McDonald celebrated his ninth birthday Tuesday with the aid of many of his little pals.

His mother, Mrs. C. O. McDonald was assisted in entertaining the party by Jack's aunt, Mrs. Jack Holditch, and Mrs. George Dennis and Mrs. Gladys Denton.

Movies of last Christmas' Santa Claus parade, of past circus parades and of various zoos throughout the country proved of high entertainment to the youngsters.

Then there was a big birthday cake and ice cream served at a gaily decorated birthday table to wind up the day.

Guests of Jack were Myrna Satlitz, Don Baker, Joan Baker, Norma Brady, Larry Purnell, Thomas Carothers, David Delano, Marilyn Denton, Sally and Ann Woodward, Francine Murray, Barbara Moore, and the young host's grandfather, E. L. Danison. Prizes were won by Marilyn Denton, Myrna Satlitz, Larry Purnell and Norman Brady.

## Dorothy Gray Becomes Bride Of Gabe Barnett

At a beautiful ceremony before the fireplace in the dining room at the Racquet club, Dorothy Gray became the bride of Gabe Barnett with the Rabbi Markowitz officiating. The fireplace was banked with lilies and the white theme was carried out in the decorations.

The bride was attended by her niece, Mrs. Paul Pink, while Arnold Kunody served as best man. Both attendants are from Los Angeles.

Following the ceremony which was witnessed by members of the family, a reception, attended by 150 friends from the Village and other southland cities, was held. The proverbial wedding cake and all of the other attributes added to the charm of the occasion. The bride's sister, Miss Rose Mints, presided at the tea table.

Mrs. Barnett was simply attired in a white crepe dress and carried white orchids and a white Bible. Her Matron of Honor wore charreuse crepe.

Following the ceremony, the couple left for Las Vegas for a two-week honeymoon stay.

## Los Compadres Club To Dance on Tuesday

Monthly dance of the Los Compadres club will be held next Tuesday night at Rogers Ranch with the old western dances prevailing.

Excellent music and a general good time is planned for club members and their guests.

The natural flights of the human mind are not from pleasure to pleasure, but from hope to hope.

—Samuel Johnson

It is hope which makes the shipwrecked sailor strike out with his arms in the midst of the sea, though no land is in sight.

—Ovid

**DIES AT SAWTELLE**—F. J. Wiefels, district's first undertaker, who died Tuesday after a long illness.

## Pioneer Undertaker Succumbs After Long Illness

Frank J. Wiefels, pioneer resident of Banning and well known in Palm Springs, died at 3:30 Tuesday morning at the government hospital at Sawtelle, following a long illness which had kept him confined to a wheelchair for some time.

Born in Krefeld, Germany, January 15, 1860, Mr. Wiefels arrived at the age of 85 years a little more than two weeks before his death. During the Spanish-American war, he served in the Philippines with the hospital corps.

In 1905, Mr. Wiefels arrived in Banning and started a mattress and upholstery shop. He also did carpentry. The first unit of the Southern Sierras Sanitarium was built by him.

In 1908, Mr. Wiefels opened the only undertaking parlor in the San Geronimo Pass, retaining management of it for many years. The business is now conducted by his daughter-in-law, Mrs. Mary Wiefels.

Surviving are his wife, who makes her home in Long Beach, his daughter-in-law and two grandsons, Ensign Howard A. Wiefels, stationed at Columbus, Ohio, and Frank L. Wiefels, who with a Naval training unit at Occidental College. An only son, Harold F. Wiefels, died in 1934.

Funeral services were conducted at 3 o'clock, Thursday, at Sawtelle with graveside services at 3 o'clock Saturday at Sunnyslope with Wiefels and Son in charge.

## Many Present to Help Open Lido

The Lido cafe was jammed for its formal opening a week ago with many Villagers and out-of-town celebrities in the throng to hear Pat Patterson, vocalist, and new instrumental entertainment.

Among visitors this week were Joe Frisco and Charles Foy of the screen and stage, John Garfield, actor, Bob Martin, oil man, Jack Montague, golfer, besides many well known Villagers.

I told him, nothing doing, since he had broken the package."

**THIS AND THAT**—How do you spell the name of that busy mart where Elmo Purnell and Hutch Moseley hold out when not planning things for the Los Compadres? The phone directory says "Hatchett's Market," the city directory, "Hatchitt's". At the store itself, it's both ways. . . . Charles St. George says soldiers visiting the Dugout have told him that since the "Blaze" airplane incident, all GI rides on cargo planes are out. The boys had to cut their furloughs short by three or four days because they had to depend on slower ground transportation. . . . Mr. and Mrs. Gary Cooper were top-flight guests at the Dunes this week.

**ODDS AND ENDS**—"For 13 years I've heard nothing but desert sunshine, violet rays and so on," writes Sam Arner from Cathedral City. "Can't the Desert Moon get some recognition? Does-

n't a Desert Moon do something for you, too?" Well, there's a potent drink called **Desert Moon** and they say it does something to you. . . . Bob Bennett's getting more publicity than Falla's romance. Now it's a photographer, one Shinee Wright, who brought a pretty starlet to town to ride a burro for a cover picture on "Romantic Range," a western magazine.

**MUSIC**—Mrs. G. says that "Accentuate the Positive" will go high on the Hit Parade. . . . I'm still holding out for "There Goes That Song Again." . . . "Rum and Coca Cola" will probably get on tomorrow night. . . . "I Dream of You" will be one of the top three. . . . I must have nice neighbors. So far haven't heard a complaint about my record library which ranges from Guy Lombardo to Stan Kenton and from Frankie Carle to Benny Goodman.

**THE WEATHER**—Today is ground-hog day and if that animal can see his shadow, he's suffering a delusion. Anyway, that means spring is right at hand. The Chamber of Commerce cribbed a line from that latest Johnny

Mercer song and told me to please "eliminate the negative" in talking about the weather.

We ought not to look back unless it is to derive useful lessons from past errors and for the purpose of profiting by dear bought experience.

—George Washington

## You're in the Army Now!

Read "You're In The Army Now" by the internationally known cartoonist, Major Herc Ficklen, in each issue of The Desert Sun. Major Ficklen was stationed at the Desert Training Center last summer. His cartoons appear in daily papers all over the United States. The Banning Record and The Desert Sun of Palm Springs are the only weekly newspapers privileged to use this unusually fine service.

## By Maj. Herc Ficklen

ON THE WAR-PATH  
WITH ART JONES

Amid the echoing cheers and moans of a half delirious, half heartbroken aggregation of basketball enthusiasts, a much-improved Banning quintet came out of the cellar last Friday night, on a return engagement, to hand our hard-fighting, but outplayed, invading Indians their second consecutive upset of the season, to the funeral-march lyrics of 31 to 20.

Slightly over-confident, due to the trouncing they had administered to the Green and White in their previous encounter, our fellas (owing to an offense which continually misfired and a defense alluded to as "air-tight" which, as it turned out, more closely resembled a sieve) were caught napping by the court-wise Bronchos, and were never quite able to tie up the count, although they proved a constant threat throughout the performance.

The Powell-men captured the initiative in the opening seconds when Sunday Martin, opposing guard, tossed in a "swisher" from near mid-court. "Dead-Eye" Jurado immediately became so enraged at this deliberate theft of his own stuff that, after "flubbing" (courtesy of Eric), several maneuvers and "one-pointers," he quieted down and proceeded to assist "Boy of the Week" (2 points) Smith with a lay-in, after which he "swished" two "goodies" (as Buns would say) and saved another for later, to share the scoring laurels (if any) with "5 fouls" Metzendorf (who snickered at "umbrella" Smith's habit of bumping into people). Later, "snowball" (as Maurice is known to those unfortunates caught in Idyllwild with him), still giggling over his write-up by Mort, was so confused to think that he was the cause of the current war that he muffed a scoring opportunity on a fast-break. (He apologized to Mabrey later.)

In the meantime, however, Hemmerling (Banning's most commendable center and high-point-er), racked up his 10 points, Black (taking time off from practicing second base slides to make a set-up), and Malcolm-Krause production of 3 points, together with one free-throw each for "yo-yo" and "modest-o" Emerzian, and two for "Dead-Eye," plus a spectacular play in which "Goody Gum-drops" Peterson (having his mind on the new school bookkeeper) tapped in a rebound with his buns (or has someone given me the incorrect meaning?), and "Slow As Mollasses" Devers (coming out to prove that even he can mess things up a little), advanced the tally to 17-12 as intermission was called.

At this point, "Umbrigo" Galzy, and my fellow news hounds "Bashful Fool" Delano and "The Fool's Friend," J.B. (names contributed by Bob Jones) gave the girls a rest while they tap-danced the "light fantastic" (if I may coin Cecil's phrase).

On returning to the hardwood the Bronchos staged a 12-point spurt while "Camel" Metzendorf bagged his 6 digits, after which he, preceded by "Buns" and Malcolm, was forced off the court on personals. "It's better when you help" Benson (still bawling over Lauren Bacall), "Egg-head" Moseley, "our star" Bell (I get 5 bucks for that), and Hairy "just one more sled run before we go" Lienau entered at this stage of the game. Seconds later "Egg-head" received a tremendous ovation as he was carried from the courts. (Well, he was clapping anyway!)

But, despite a desperate last-

period rally by Coach Thompson's cagers, the superior ball-handling exhibited by the victors put the game on ice and the cap-gun clicked (no caps, either) as the last second ticked away, giving Banning their first triumph of the season.

The line-ups were as follows: Palm Springs: Peterson—F, 2 points; Smith—F, 2 points; Metzendorf—C, 6 points; Jurado—G, 6 points; Brummitt—G, 1 point; Lienau—G, Moseley—G, Devers—F, Benson—F, Bell—F, 2 points; Emerzian—F, 1 point.

Banning: Royer—F, 2 points; Malcolm—F, 6 points; Hemmerling—C, 10 points; Martin—G, 2 points; Black—G, 6 points; Krause—G, 5 points; Strobbridge—G, Bailiff—F, McCullah—F.

If nothing else, this setback demonstrated that Peterson's and Brummitt's theory that "a good defense is a good offense" holds H2-O. Our "Little Indians," giving support to Palm Springs' sagging prestige in the curtain-raiser of the double-headed, romped to a 22 to 19 victory over the outclassed, but well-organized "coldts." "The Kid Tries" Flynn (again high-point man, netting 9 points), "Our Boy" Hernandez (contributing two swishers in quick succession during the final period to clinch the issue), Capt. "Vitamins" Jones, and brother "Hot-rod Bob," with the aid of "70 mph., a toboggan, and a tree" Wills, McLearn, Williams, and "Flat-top" Manley ("Shnozola") Ashley was unable to perform due to the ignorant connivances of a certain mentor, I am told, proving an unbeatable Maroon and White combination, remained in command throughout the thriller to bring home the bacon and put them in the running once more.

The line-ups were as follows: Palm Springs: A. Jones—F, 5 points; B. Jones—F, 1 point; Flynn—C, 9 points; Hernandez—G, 6 points; Wills—G, Williams—G, McLearn—F, 1 point; Manley—F.

Banning: Moore—F, 6 points; Stanfield—F, 8 points; Ritter—C, 1 point; Chate—G, 4 points; Hickock—G, Scott—G, Milton—F, Nelson—F. Although Palm Springs is now "fenced in" to a rather definite second fiddle position in the league race, "IF" (and it's a big "if") some of the fellas would really go to work with a will to win, and stop foolin' around during practice every afternoon, Beaumont's Cougars would be in for a hot time today, Friday, on the local courts, and Coachella would have to begin bolstering its "Siegfried" line if they intend to take the championship. Indians don't let scalps slip through their fingers very often, and I hear Arabs have very long hair.

A pat on the back is due to "Peroxide" Emigh, "Cold-feet" Sawyer, and "Her tears flow like wine" Hookey for their cheer-leading, par excellence, and to "Toboggan Bob" Dart (manager) for always being there when anyone wants him???

I shall be glad to receive any ideas anyone has for naming this column, if the present one doesn't satisfy. Also I'll give anyone who is interested, a big build-up for the measly sum of 5 bucks.

Art Class Puts  
Out Posters for  
Blood Bank Aid

Art class students, under the direction of Miss Kowallis, have just completed some colorful posters which will be distributed to downtown shops and stores in order to remind patriotic citizens that their blood plasma is urgently needed by the Army and Navy for the wounded overseas.

These posters have been designed to attract attention and will be displayed in prominent spots throughout the city.

The posters have been made by Marge Rineman, Eric Lieberman, Marilyn Miller, Jerry Hall, Don Omlin, Carol Hainer, and Lila Lee Lilley.

New Hit Records  
Really Do Send

Members of the student body are now dancing to the tunes of thirteen latest hit records purchased from the funds of the student body, and selected by Trudy Sawyer, Art Jones and John Klug.

A few of the records are "Don't Fence Me In," "I Dream of You," "There Goes That Song Again," "Begin The Beguine," and "The Trolley Song."

The records will be used for noon dances and other school functions.

## Palm Springs High School Smoke Signal

Student Council  
Settles Many Big  
Items at Session

Brought to order by President Bob Lienau, the fifteenth regular meeting of the Student Council was held Tuesday, January 30.

Miss Mary Louise Gaylord, newly-appointed chairman of the Palm Springs Junior Red Cross, asked the Council's cooperation in staging a drive among the high school students. The idea was accepted unanimously, and it was decided to encourage 100 percent membership by holding a contest between the Girls' League and the Tribe, Monday, February 5, to Friday, February 9, are the dates set for the drive.

The offices of vice-president of the Girls' League and secretary of the Sophomore class, formerly held by Vivian Gaudiello and Bob Jones, respectively, are vacant because of grade deficiencies. New officers will be appointed next week, as will Don Sorum's successor as Medicine Man of the Tribe.

Orienting Freshmen to high school life was discussed. Mr. Greeley, faculty adviser, suggested that it was the council's responsibility to see that the weak points in the student government be amended. No rules have been set down regarding behavior or activities in class or on the campus, and new students do not know what is expected of them. The discussion will be resumed next week, when either a committee will be appointed, or the council will act as a committee of the whole to set a definite plan of action for taking the responsibility of orienting new and Freshman students during the rest of the year.

Mr. Greeley asked the Honor Roll committee to meet with him within the next few days.

A request was granted Loren Rude for new ping-pong equipment to be used during noon and physical education periods.

Local Members  
Of Scholarship  
Society Named

As a result of the semester grades recently made known to all, and the intricate calculations performed by Mrs. Marion Kellar, the following students have been announced as being the much honored recipients of the highly esteemed membership to Palm Springs chapter of the California Scholarship Society: Arthur E. Jones, Jr., Mildred Woolhouse, Carol Burket, Edward Wills, Connie Tilghman, Mortell Goldberg, Margie Reineman and Joan Whorton. President Art Jones announced that a meeting of the society will be held soon.

Responding to a letter from the Coachella Valley Union high school asking them to aid in the installation of a new chapter of the C.S.S., Mrs. Kathryn Martin, scholarship faculty adviser, accompanied by Art Jones, president of the society, departed from school at 12:10 last Friday afternoon.

After a violin solo, the acting Coachella student body president introduced the principal, Mr. Brumwell, who, in turn, presented Art Jones, who gave a short talk on the history of the Federation. Then after a talk on education by Mrs. Melba Bennett, a prominent Villager, Mrs. Martin, completed the ceremony by formally charging the members and delivering the charter.

Back-Stage Aid  
To Opera Given  
Full Credit Due

Hard-working backstage members of all theatrical productions are the ones who usually receive most of the complaints and little credit, but Alexander Hammond, director of "Harmony Hall," hopes to set a precedent by reversing the procedure.

In charge of the wardrobe for the opera are Joyce Maloof and Mildred Woolhouse.

Robert Hillery, Norman Mandel, and Robert Higgins will manage the lighting effects.

Stage crews will work under the direction of Paul Linder, with Mr. Mack Scott Thompson and his shop class providing the sets. The post of sound-effects is as yet vacant.

A prompter, and students to manage the props and make-up will be chosen from volunteers in the Oral Arts class, Miss Mary Louise Gaylord announced.

## Editorial

## LETTERS TO SERVICEMEN

Have you written that letter to a friend in the service lately?

It was announced today by school librarian, Mrs. Moya Henderson, that a folio of letters from former students of P.S.H.S., who are now in the service, will be kept in the library.

The object of this is to get the fellas former classmates and friends to write in their spare time.

Go into the study hall and get these letters from Mrs. Henderson, sit down and read them and then—

Write them what is going on in school. They are still interested because they know the kids and it brings back memories of better days to come when they will again be in the middle of the laughter and gaiety only youth knows. —Marge Walker

## GAZOOZIT

(By CECIL)

By LOLO

When a new Gazoozit reporter steps upon the scene it is really something. Here am I about to make a sad effort to turn something out, having thrown all the efforts into the nearest waste basket. I set my pen once more in a bottle of Parker Quink Ink (permanent blue-black) and write.

My last dirt digging spree didn't give much results. Heard a lot of junk but nothing much good.

Peering into the deep dark corners present, the first little bit of news I find to set upon paper is that dear, old, funny, laughing Nimietz ain't done gone after all. Long faces may now return to normal once more and we can all laugh again.

Many tears split in an indirect sort of way and groans were heard all over the campus from the gals when they heard Crawford Brown, "Cliff," has checked out. I think he has returned to Glendale.

There was going to be an open party at the Vallier's Saturday night, but due to some combat-ing circumstances it was postponed until further notice. Hence our thanks to Mrs. Henderson for her helpful, little announcements.

As it turned out, people got into a little automobile, dug up Wilson's phonograph and ended up at Inman's. Present were Wilson, Klug, Julie, Allen Anderson, Don Whitehead (in person), Porky and Yours Truly. Everyone was surprised to find said automobile still in one piece after Julie had been at the wheel. Don't boys know about women drivers by now?

It has happened! Cecil is wearing the tell-tale ring presented to her by one Roaul Prieto. Lucky guy! Hey, what am I saying? Lucky gal! And if Cecil doesn't mind I'm going to add a little word commonly known as bwang.

Looks like Don McKinney is getting to be quite the wolf. Hear this from certain reliable sources while spinning off to school.

Moseley and Jeanette are going steady in some big way. But what's the matter with Dick? Seems like his memory is rather on the poor side.

DeLorse Roth agreed with some one the other day about that good old saying, "Love me, love my dog!" I've heard Donnie called a wolf but never a dog before. 'Tis a changing world.

Bell is handy to have around, especially when he is a firm believer in the practice of free taxi service. His little "taxi" is still air-conditioned. Seems some folks don't exactly appreciate this outstanding feature, though.

A few boys (namely two) seem to think that snow is just what the doctor prescribed for colds. Maybe it would be better to try this tonic on a weekend, next time, when there is no school to hinder.

Seniors Formal to  
Be Highlight of  
Year This Evening

Romantic couples will dance tonight to the sweet and low music of the Torney General Hotshots on a dance floor bathed in soft lights bordered in silver and blue. For tonight at 8:30 p. m., at the Woman's Club, the Seniors sponsor the annual Senior Formal.

Many of the gals will go home with empty pockets because this dance is girl ask boy, but the gals will drag their favorite dream boy.

Several faculty members are expected to be present, among them, Mrs. Kathryn Martin, Mrs. Moya Henderson and Miss Vash Hronis who will act as chaperones for the dance.

Members of the photography class will spotlight the evening with their ever-ready cameras in search of pictures for the Year Book.

Thirsty hep-cats will find refreshments waiting when they come off the dance floor, thanks to Mildred Woolhouse and Edie Greer who will take time out to serve them.

Whether you like your music sweet and low or good and jazzy, you will be supplied with it at the Senior Formal of 1945.

Husband of Former  
Local Instructor  
Missing in Action

Sincere condolences are offered Mrs. Joseph Grant by her former students on the arrival of the news that her husband, Lieutenant Grant is listed as missing in action by the war department.

Married here in the spring of 1944, the former Peggy Clarke and Lieutenant Grant made their home in Texas, for a few months preceding his overseas assignment. Before moving to Santa Monica to live with her family, Mrs. Grant visited his parents in New York.

Mrs. Grant taught music, English and history at P.S.H.S. for three years ending last May.

quiet little Susan Blatz returned from her excursion slightly black-and-blue, but seemingly none the worse.

I'm still shocked over the discovery that Palm Springs high school's own John Outcault was seen roaming the streets with that, "I'll Walk Alone" look and seated in the theater all by himself. What happened?

Two guys who like to try to paint, have a great deal of hidden talent. The only fault here is that it is perhaps a little too entirely hidden when viewed by the eyes of innocent bystanders.

People were sorry to see Soth Jackson (the brain) leave our honorable institution of learning but I must admit a few sighs of relief were breathed by certain chemistry students who would enjoy a reasonable chance of making those "best grades".

Though there has been a departure of two students of our honorable high school, there is also on record the enrollment of two new inmates. These two are Al Crossley and Loretta Fatina. Loretta came from good old Kansas City in the "show me" state. Al was here once before and returns now as a mighty Senior. He has a nice voice and also a lot of talent with the trumpet.

Betty Ann and Hann have been going around together for a little time now. Heard a rumor about some folks who go steady. If rumors ever turn out the truth, we all wish them loads of luck in their venture into the zoot.

No wonder the ice cream shortage is almost a thing of the past. All these dieting damsels actually believe the age old solution to the problem stated will be one of profit to them. . . . Where's the proof? Might be the scales they have these days simply don't register loss of weight.

Well, that's all for now that would come near passing censors but before I sign off I do wish to remark for the sake of all those who have been shocked out of what wits they did possess, any resemblance between good old-fashioned human beings and tall shady looking characters, namely Benson and Metzendorf, about the campus much in need of shaves, is most certainly an optical illusion. No one ever told me razor blades were on the rationing list.

Assembly Enjoys  
Hawaiian Jaunt

Students of Palm Springs high were taken on a picture tour of the Hawaiian Islands, Tuesday morning, when Fay E. Brainard, local retired teacher and business man, showed five reels of colored moving pictures which he took on the islands in 1941.

Mr. Brainard's pictures took one and a quarter hours to show. He gave a running commentary of interesting explanations and remarks while the pictures were being run. All students expressed enthusiasm at having the opportunity to see and hear this travelogue program, and those experienced in photography—of whom there are a considerable number in Palm Springs high—declared the photography in Mr. Brainard's films to be of unusually high quality.

## May We Introduce

By MORT AND BOB

## BOY OF THE WEEK

This weeks "Happy Jack" was born in that windswept little ghost town, Chicago, Illinois. As he first opened his dim, smokeey, cat-green eyes he saw a beautiful blond nurse. Yes, kids, he was born in a hospital—of all places.

"Happy Jack's" favorite pastime is art a la Dali. He now claims that he intends to do something really serious, which is a strongly doubtful statement. Take a look at his latest contribution to the artistic world, entitled "The Cretan" and you'll see what I mean.

He often voices his opinion about his favorite actress, Betty Grable—"Bwang!" That, however, doesn't seem to fit in with his song of the moment, "I'll Walk Alone". It's beginning to look as if he is a man of many moods.

When we came to his love life we looked through our most precious files and found that its been one big whirlwind for him since the beginning of his career in our honorable institution. It started with a little Junior gal last year under the name of Betty Chapman and when she left (him?) his heart was absolutely broken.

He found hope in that gas-joint, Mattoon, Illinois, this summer, but left his love life behind. But wait 'til you see the cute Junior gal he's attending the formal with.

He pals around with any ole truck drivers, namely Wilson, "Shoes" Algase, and Chuck Nimietz; those dear boys.

Besides those great big beautiful eyes he has been gifted with other charming features; such as dark, wavy hair, which you can easily view at approximately six feet up, and a charming smile. Oh yes, he "runs" under the name of—Robert Vallier.

## GIRL OF THE WEEK

We opened the door of a zoot '41 Ford and a certain little Junior gal fell out. After much explanation I finally discovered where she happened to be about 16 years ago. It so happened that

Junior Red Cross  
Drive Will Start  
Monday at School

"With the hope of topping previous Junior Red Cross campaigns, the students will begin the annual membership drive on Monday, February 5," announced Miss Mary Louise Gaylord, newly appointed Junior Red Cross chairman, at the Student Council meeting on Tuesday.

Competition will be on a percentage basis, and will be between the Girls' League and the Tribe. Commissioners of Publicity Lila Lee Lilley and John Klug are making thermometers to be posted on the main bulletin board, and daily progress will be registered on them.

The drive will last one week, during which time contributions will be taken by Girls' League class representatives, Maryann Gorcorser, Clara Jane Lyter, Barbara Croft, and Bonnie Sue Taylor, and Keeper of the Wampus for the Tribe.

Although the National Junior Red Cross membership drive was held from November 1 to 15, the dates were postponed here, until a Junior chairman could be appointed.

The American Junior Red Cross offers the greatest opportunity for students to be of service to the Armed Forces during war time. Their biggest activity at present is producing comfort and recreational articles for the men overseas, in hospitals, and at camps. School programs are financed by the pupils themselves from membership dues. No definite quota has been assigned P.S.H.S., but Miss Gaylord expects students to "go over the top", as usual.

it was the grand state of Washington and the date: January 1, 1928. And just to give you a wee hint, she's five feet plus two inches and is stacked up to about 112 pounds, brown hair, and two eyes which resemble a cat's. Anyhow, they say she can see in the dark. Ask certain fellas who went with her in Don Reed's car to the Coachella game, while on the bus went her boy friend.

The last school this Miss attended was something like this—it says here—Moneoia high. Her favorite food is lobster plus chop suey. Could be she's part Chinese but the little woman doesn't like tea. She likes hot chocolate.

Eager Beaver hits that spot with her and the well known band leader, Stan Kenton, rates high in her life.

You are, no doubt, used to seeing her with Hook, Hogg, and Julie.

Baseball, bowling and blue and white are favorites, too.

I hate to say this because, unless you are a moron, no cracks, you will immediately guess who she is, but it's all part of the story so I shall divulge. Her love life is a big guy named Donnie. Who could he be?

Well, if you don't know her by now, you better start looking around the campus a bit. For this Bwanger is DeLorse Roth.

Pay your telephone bill before the 30th and receive a discount.

For Essential Transportation—Yellow Cabs. Phone 4444.

# PALM SPRINGS NEEDS A COMMUNITY HOSPITAL

We can have one if every resident does his part.

Mr. and Mrs. John W. Williams have donated a beautiful site, plans have been completed; But - - - we need

## \$200,000.00

*The Proposed New Palm Springs Community Hospital*

The need for a Community Hospital is urgent. Any delay in hospitalization after a serious accident may mean tragedy to you or a member of your family. When a life is in danger a trip to Indio or Redlands is a long one. A hospital is needed for the benefit of our many winter residents and visitors who come here for reasons of health, as well as for our all-year-round residents. The funds you contribute will be administered by the following Board of Directors of the Palm Springs Community Hospital, Inc.:

FLORIAN G. BOYD, President  
C. J. BURKET, Secretary  
F. G. INGRAM, Treasurer  
MRS. CAROLINE HICKS  
MRS. NELLIE COFFMAN  
FRANCIS F. CROCKER  
MISS KATHERINE FINCHY  
MAYOR E. E. THERIEAU

ERNEST ALSCHULER, Vice-Pres.

## Course in Health To be Conducted By Dr. Warren Fox

Cooperating with the vital national need for nurses and trained public health personnel, the University of California Extension Division will organize a Riverside class in Public Health and Preventive Medicine, according to Dr. Warren F. Fox, Riverside County Health Officer, who will instruct the course. It will open Wednesday evening, February 7, in room 113 of Riverside Junior College, and will consist of twelve weekly Wednesday evening meetings.

"During the past weeks the nation has been made acutely aware of the pressing need of the armed forces for nursing personnel. In addition, there is a vast need in civilian life for persons trained in public health and preventive medicine. For this reason, the state University is making available numerous courses of interest to nurses, industrial nurses, and other persons interested in training for public health and rehabilitation programs. Our Riverside course will include a survey of the development of medicine and the Public Health movement, discussion of immunology and problems of individual and community health as related to communicable disease control," Dr. Fox announces.

The first lecture of the Riverside course may be attended by anyone interested, without charge with opportunity offered at this meeting for enrollment in the class. A similar course will also be opened in Los Angeles on February 7, at 813 South Hill street.

Information concerning state University extension classes throughout the Southland may be secured by addressing the University of California Extension Division, Los Angeles 14.

Love is never lost. If not reciprocated it will flow back and soften and purify the heart.

## Washington's Way Of Publicity Paid For by the State

E. B. McGovern of Seattle, Wash., a regular winter visitor in Palm Springs for the past several years believes that in the proposed Mt. San Jacinto Tramway, southern California in general and Riverside county and Palm Springs in particular, have a mighty potential tourist and vacationist attraction which should be built not only as a postwar mecca for thousands of visitors.

And Mr. McGovern should know. He's chairman of the Washington State Progress Commission, a body which functions as does California's state chamber of commerce or All-Year club, only it is state-supported with biennial appropriations to bring visitors to the northwest.

### CREATED BY LAW

The commission was created by legislation to publicize and advertise Washington's recreational features, tourist attractions and natural resources and to bring tourists and vacationists into the state.

"We differentiate between the tourists and vacationists," he said. "A tourist comes in one day, leaves the next. A vacationist comes in and stays a while. We recognize their different needs. The tourist may become a vacationist and the vacationist a permanent resident."

### FOR ALL-OUT DRIVE

Gov. Mon C. Wallgren, in his inauguration speech, emphasized that he was for an all-out advertising campaign to boost the state's vacation lures and the legislature appropriated \$250,000 for the biennium to provide funds for the commission which serves without pay. Eric Johnson, head of the United States Chamber of Commerce is a member of the commission.

Mr. McGovern said tourist travel forms a sort of benevolent circle. He illustrated this by pointing out the great number of people from Washington and the northwest now in Palm Springs. They are all boosting their home state, he said, and when the war is over, people from here and other southland points will be in Washington during the summer months boosting Palm Springs and inviting travel here.

### CREATING NEW ONES

The Washington Progress Commission is not only advertising its resources but is aiding in creating new resorts. It was along this line that Mr. McGovern said the Tramway most certainly should be built.

Practically every state is advertising its attractions now and the Seattle man said this was a good thing. "It will put America on wheels again after the war. That's a good thing. The tourist dollar starts at home, you've got to be ready to travel, you know. And it's also the most cheerful dollar spent along the way and at its destination."

### BIGGEST INDUSTRY

"The tourist industry is one of the west's biggest and when we have got this war won, we, up in Washington, at least, are going to regard it so and act accordingly."

"You've got something for tourists here in Palm Springs. I should know. It's attracted me here every year for the past few and a lot of my friends. But compared to what's coming after the war—you haven't seen anything yet."

### Joe Marino Hears From Uncle Sam

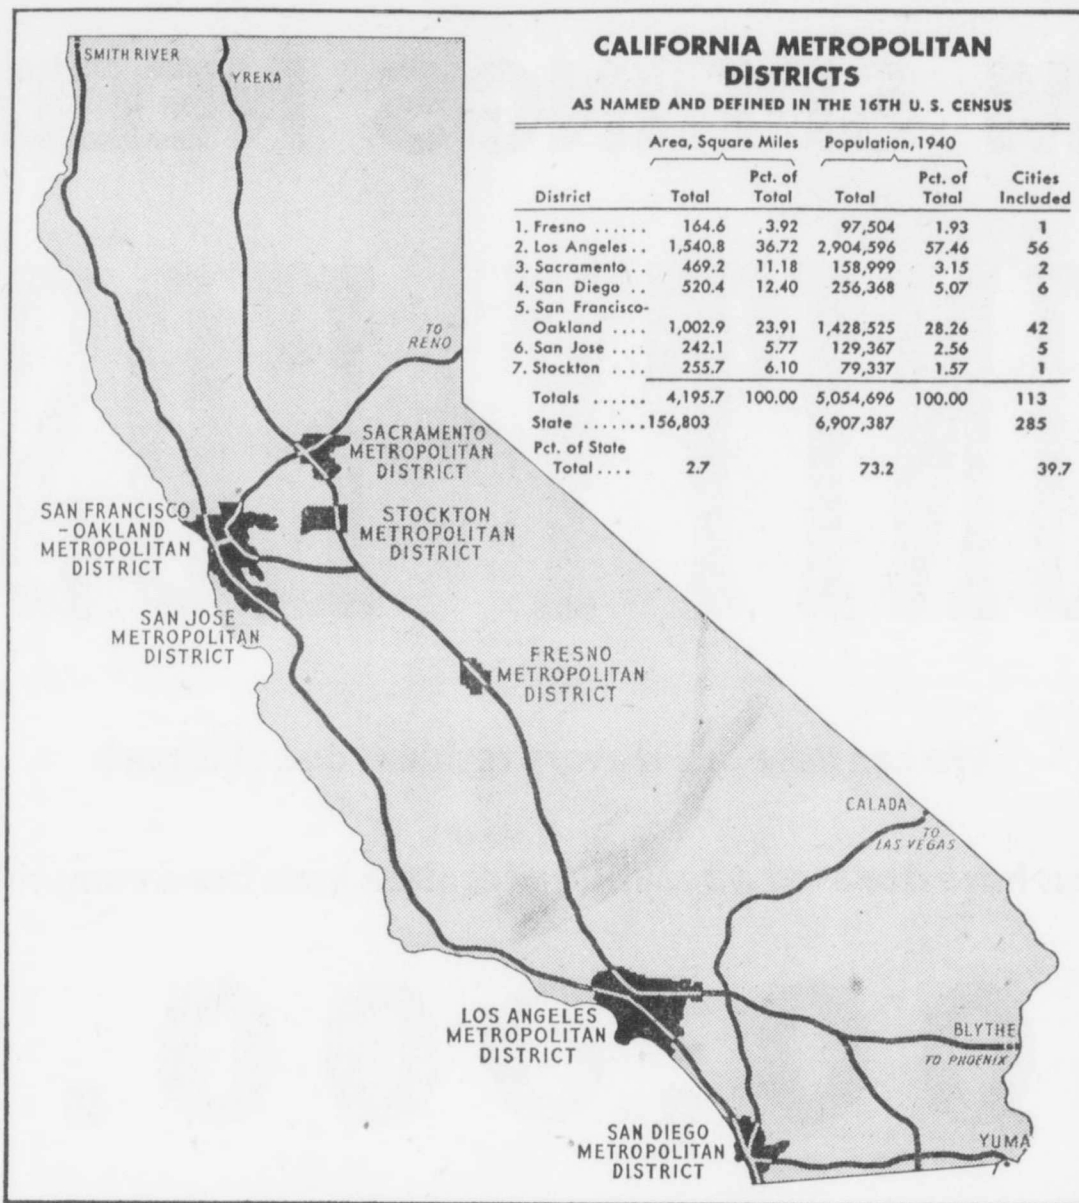

Joe Marino, piano player at the Dunes, is the latest Villager to feel Uncle Sam's tap on his shoulder. He was notified to report at his Chicago board, Feb. 9.

He contacted the Indio board today to learn if he could report there for induction rather than make the long trip back to Chicago.

## Limited-Access Highway System

The 3300-mile Statewide system of urban-rural limited-access highways proposed by the California Major Highway Committee, now being considered by the State Legislature, is shown on this map. Only State routes through the seven metropolitan districts are depicted; additional roads in such districts are subject to future location.

## New Postal Notes, Less Expensive, Quicker, on Sale

New postal notes, designed to save money and time for persons sending amounts \$10 or less, went on sale at the local postoffice yesterday with the first one issued being bought by postoffice employees themselves, made out to the Infantile Paralysis fund and presented to Mayor E. E. Theriault and Mrs. Charles J. Burket, chairman of the March of Dimes drive here when the money order window opened at 9 a. m. (See illustration on Page One).

The new postal notes are issued in denominations of \$1, \$2, \$3 and so on up to \$10.

### CHEAPER EASIER

Postmaster R. M. Gorham explained the procedure which saves much time—also is cheaper than the old form of money orders. The money orders are sold at a flat rate of 5 cents.

If a person wishes to send \$1.69, for instance, the postmaster said, he buys a \$1 postal note and a 60 cent and a 9 cent stamp. These are affixed to the note, the purchaser pays the \$1.69 plus the 5 cent charge for the note, and takes the note with him, filling it out at home if he wishes. One stub is torn off as the buyers' receipt, the other stub at the paying postoffice.

### STAMPS AFFIXED

Stamps in denominations of 10 cents, 20 cents and up to 90 cents and from one cent to nine cents have been issued so that there never will be more than two stamps on an order, no matter what the amount. For persons wishing to send more than \$10, the old money order is still available or they may send two postal notes.

These notes, Mr. Gorham pointed out, must be cashed within two months of the date of issue and they must not be folded as they are like government checks which run through a cancellation machine.

Because of their simplicity and

### MORE ABOUT ...

#### Lt. Col. Goewey ...

African Division of the ATC, January 1, 1944, remaining in this duty until August, 1944.

The Commanding Officer comes to the 21st Ferrying Group with a wealth of military and flying experience. He has flown in the Caribbean, South America, North Africa, the Middle East, India, Italy and England. He has made six round trips as pilot across the North and South Atlantic in the C-60, C-47 and C-54.

#### ACTIVE IN AVIATION

For ten years prior to his service in this war, Lt. Colonel Goewey was assistant to the executive vice-president of Eastern Air Lines, Inc. Throughout most of this period, he held a reserve commission with the 304th Field Artillery and periodically attended the School of Fire at Fort Sill, Oklahoma.

Lt. Colonel Goewey is a graduate of Fordham University, class of 1928, where he won his Bachelor of Arts degree and his letter on the football team. His home is in Freeport, Long Island. His wife and two children are now living in Palm Beach, Florida.

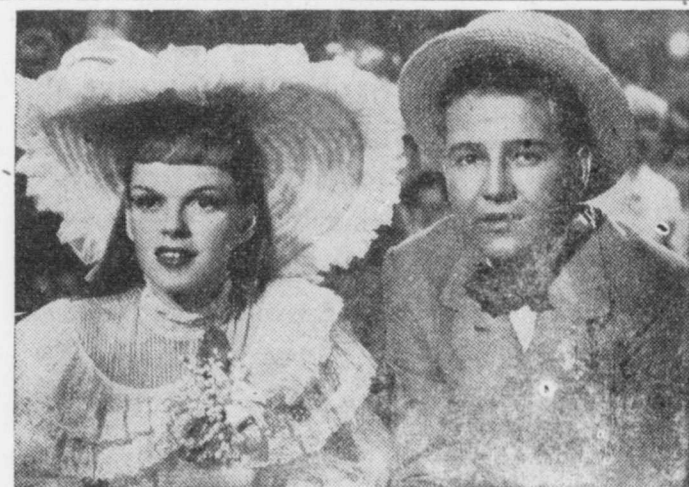

## Marriages Gain During January

Showing a decided gain over the previous month, marriage licenses issued through the office of County Clerk G. A. Pequegnat during January totaled 163, according to figures compiled by Mrs. Lorna Burch, deputy in charge of the desk over which licenses to wed are issued.

During December, marriage licenses issued totaled 149, which was a gain of five over November.

For January of 1944 the total was 181, indicating the greater number of service men and women seeking licenses to wed than during the month just past.

cheapness, Mr. Gorham expects to see them become popular speedily.

WORTH SEEING—Judy Garland and Tom Drake in a scene from "Meet Me in St. Louis", the Technicolor hit, with Margaret O'Brien and Mary Astor, at the Plaza theater Feb. 2 to 5.

#### Polio Drive ...

each case the officers announced over loud speakers the purpose of the jars and in each case the money rolled in. At the Dunes, Joe Frisco, in the west to make a picture, took charge of the broadcasting.

Director Gordon H. Garland of the Motor Vehicle Department was here today and collected the jars to present to Mrs. Charles J. Burket, chairman of the local drive. The money collected here goes to the Palm Springs committee. The jars will be left out until Feb. 15, closing date in the drive.

#### P. O. STAFF HELPS

Post office employees boosted the fund \$10 yesterday morning when they bought the first new postal note to be issued here and made it out to the March of Dimes, presenting it to Mrs. Burket and to Mayor E. E. Theriault while Postmaster R. M. Gorham looked on.

Children of the Desert School district will stage a drive Monday and hope to make it 100 per cent. Young men and women of the high school also plan a one-day drive Monday in an effort to have every student participate.

#### LETTERS GO OUT

Additional letters were mailed out Wednesday by Mrs. Burket to Villagers asking their aid in the drive.

A President's Birthday ball was staged by the Air Base GI's at the Palm Springs Roller Rink Tuesday night with music by the Ferrying Command band. Funds received there went to the air base March of Dimes fund.

First reports of the progress of the drive were to be made tomorrow by county headquarters at Riverside.

Pay your telephone bill before the 30th and receive a discount.

### MORE ABOUT ...

#### Closing Hours ...

twenty hours, we couldn't get the goods to sell. Besides there would be the extra labor problem.

"We'll not open before 10 a. m. or stay open after 8 p. m. no matter if the state law does say 6 a. m. to 2 a. m."

The Army and Navy last fall, through officers said, that the need for the curtailed hours had passed but state board members, at the request of many dealers, did not change their ruling.

#### DISCUSSED HERE

In Palm Springs some time before the state board set its midnight closing deadline, local beverage dealers held several heated meetings at which a voluntary earlier closing was discussed. Village spots had practically decided on a voluntary midnight closing when the state board issued the midnight rule and decided for them.

In any event, a few dealers, who are tempted by the 2 a. m. decision, agreed that they would make no changes pending official word on the Los Angeles court verdict.

### MORE ABOUT ...

#### Hospital Fund ...

place for this event will be fixed today.

In the meantime, the hospital committee, under guidance of Florian Boyd chairman, has set its goal at 100 per cent participation in the campaign by permanent residents of Villagers.

#### VILLAGE INSTITUTION

It was pointed out that the Community Hospital to be erected on a site donated by Mr. and Mrs. John W. Williams, is a Village institution for Villagers as well as for winter residents and guests in the Village.

And many Villagers are already subscribing. Sums are coming in ranging from \$2.50 on up. These smallest gifts are as welcome as the largest, committeemen said.

#### TO COMPLETE PLANS

With the fund already mounting as result of donations from Villagers and winter residents, plans to make it a complete success are being drawn by the executive committee and full details of various events to aid in putting it across will be announced next week.

Chairman Boyd was sanguine of complete success because of the preliminary enthusiasm shown but said the hard work was still ahead as the drive had barely begun to function.

Society is built upon trust, and trust upon confidence in one another's integrity. —South

### Desert Museum's Membership List To be Expanded

A campaign to increase the membership of the Desert Museum is being launched as time for renewal of memberships arrives, it was announced this week. The Desert Museum, in charge of Prof. and Mrs. T. D. A. Cockrell, is playing host to vastly increased throngs this year and so far this season, an increase of one-third over the 13,395 who visited the Museum in the 1943-44 season has been recorded.

The field trips are increasingly well attended and the throngs at the Wednesday and Saturday night lectures are increasing.

Blanks for memberships may be obtained at the museum and those not now members are reminded that this is the time to join the progressive group.

## Many Realty Deals Reported in Week At Cathedral City

Sam Arner, owner of the Desert Realty Co. reports the following recent sales made out of his office.

Sixty-acre tract with well, from Palm Springs Syndicate to popular Johnny Westin of the Palm Springs Drug and Import Co., in Section 36, Township 4S, Range 56, next to the new tract recently sold to Messrs. Hillery and Cobb.

Two stucco homes to Don Veitch and wife from Los Angeles. These homes were bought from W. K. Adolph. Mr. Veitch may establish a much-needed business in our town.

Tom Paris and George Mandravelis, manager of the Totem Pole cafe, purchased the prize two lots adjoining the 139 Club on Broadway in the center of town, for the erection of important business establishments in the post-war era.

Resident lots were sold to Ann Duncan who has started a Spanish tile home; and to a Mrs. Noagles from La Jolla, Calif., who intends to build.

Another deal not through escrow yet, involves considerable area in acreage which may be of interest to small acreage of lot purchasers. Total consideration for above realty totals over \$20,000.

### Rough Seas Calm Compared With Equine "Sailor"

Speaking of horse-sense, there's a steed in Palm Springs who has it.

George V. Castagnola of Santa Barbara, owner of a large fishing fleet, who with Mrs. Castagnola has been spending a few days here, will swear to that.

The Castagnolas made the most of their vacation here, away from the coastal fogs visiting all of the noted spots here and on the surrounding desert, bike riding, swimming and the works.

Then they decided they could not leave without a horseback ride.

So they went to a local stable where Mrs. Castagnola awaited on her mount for her husband to get aboard his.

He did—but just for a fraction of a second. He was off almost as quick as on.

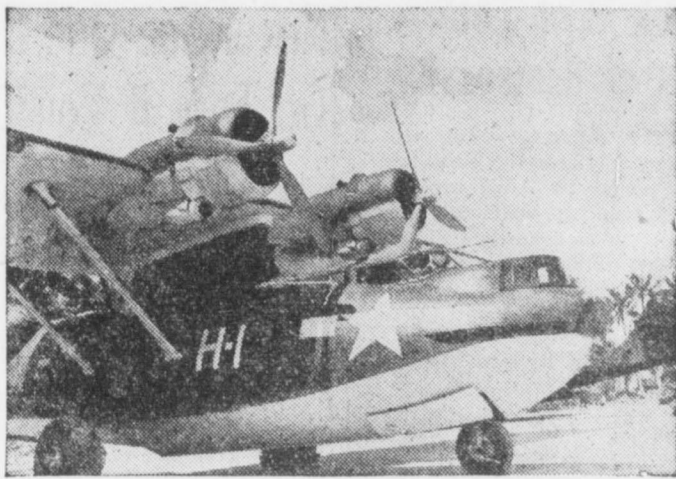

"Well, I guess you can't blame the horse. His name is 'Sailor' and he probably figured that astride a horse was no place for a sea-faring man," said Mr. Castagnola.

### Light Rainfall Recorded in Village

Rainfall recorded here Tuesday night was .02 of an inch, bringing the season's fall to 2.43 inches compared with 7.66 inches at this time last year.

Study the past if you would divine the future. —Confucius

## 'Old Maggie' -- Pacific Veteran

(U. S. Marine Corps Photo)

The history of "Old Maggie," a Catalina PBY-5A, is the history of Marine aerial warfare in the Pacific. Her log book shows she has covered more than 392,000 miles during 2,800 hours of flight time. Completed on March 7, 1942, this Leatherneck-piloted plane not only has taken part in combat missions, during which she served as an airborne command post, but also has made innumerable sea rescues, has evacuated Koreans from a Jap stronghold and has saved the life of a Samoan native chief. Just refitted with new engines, "Old Maggie" is ready to resume her military meanderings.

## Riverside Chamber of Commerce Gains New Insight on Tramway Project as Villagers Give Talks

Members of the Riverside Chamber of Commerce this week had a clearer picture of the Mt. San Jacinto Tramway proposal and the "untold advantages to Southern California and especially Riverside county" as result of an address given them last week-end by Francis F. Crocker of Palm Springs.

Accompanying Mr. Crocker to Riverside and also speaking in support of the project were Earl Coffman, chairman of the San Jacinto Tramway committee and John Chaffey, member of the committee. Henry Lockwood, Los Angeles and Palm Springs attorney, in charge of legal affairs of the committee, was present from Los Angeles.

### ENDORSE PROJECT

At the conclusion of the meeting, many of those present signed slips endorsing the project.

Total cost of the project, estimated at \$1,360,000, would be paid for by revenue bonds, "without cost to the taxpayer," Crocker said. Planned as a postwar project, the tramway would be extended a distance of 6000 feet up over the wilderness areas of the mountainside.

The project calls for cable-operated cars, starting in Chino canyon, near Palm Springs, at an elevation of 2700 feet, and running 8500 feet above sea level on the heights of Mt. San Jacinto, Crocker said.

### REVIEWS HISTORY

Crocker reviewed the years since 1941 when the first legislation for approval of the project was introduced in the state legislature by the then State Senator John Phillips and of its ultimate passage by both houses only to be defeated by Gov. C. L. Olson, largely because of disapproval of the method of appointing the directors of the tramway authority.

Governor Olson also vetoed another bill which sponsored the project. Disapproval of the second measure came only after communities on the west side of Mt. San Jacinto offered considerable opposition to the legislation.

### PLAN NEW BILL

A third bill, which was passed by both sessions of the legislature, met the same fate.

"The committee plans to introduce a new bill in the 1945 session of the state legislature," Crocker said. "The bill will be known as the Mt. San Jacinto Winter Park Authority act, and an important change from the old legislation is the one which vests title to the physical property in the state of California instead of in the City of Palm Springs as heretofore."

### EASY ACCESS

The sponsors desire to encourage the construction of an aerial tramway from the desert up the eastern slope of the mountain "to provide a means of access into the mountain areas now inaccessible to all but the hardest hikers," Crocker added.

He said it now required a day's journey by horseback to reach the top of San Jacinto mountain and return to Palm Springs. "An aerial tramway would make it possible for more people to visit Round valley and Hidden lake in the shortest possible time."

The deepest truths are best read between the lines, and, for the most part, refuse to be written. —A. Bronson Alcott

### Feline Mix-Up Has Two Local Families Upset

Mrs. R. R. Dunlap lost her pet cat last week. All search proved unavailing until one of the Dunlap youngsters came home with the news that the cat was at Dr. O. B. McRory's veterinarian hospital.

Then the story came out.

It seems that the Dunlap cat is a dead-ringer in looks and markings, except for size, for another cat in the Village. The owner of this other cat came home to find what she thought was her own cat on the steps of her home. She took one look and moaned:

"Poor pussy, you're all puffed up. My, you must have been bitten by a snake."

She scooped up the surprised Dunlap tabby and rushed it to Dr. McRory. When she came home she thought she was seeing things. There was her own pussy, normal-sized, sitting on the same steps.

She gave Dr. McRory credit for a quick repair job and speedier delivery and that was that.

In the meantime, the other cat underwent a thorough once-over at the hospital but nothing was found wrong.

Then came the truth—and the cat came back.

### Moonlight Ride To Eagle Canyon Enjoyed by Club

With practically a full membership present, members of Los Compadres club rode out to Eagle Canyon near Cathedral City in the moonlight Sunday night to an excellent dinner.

After dinner the group gathered around the fire and sang practically all of the western songs in the book with accompaniment of harmonicas and accordion.

The event was highly successful.

### Three From City At League Event

City Manager Ray M. Sorum and Councilmen Armand Turonnet and Maurice McCann attended the Citrus Belt division league of municipalities, last Friday night at the Casa Blanca hotel in Ontario.

One hundred eight representatives of cities in this area were present at the excellent program and to hear Ross Miller, planning and public works consultant for the league of California cities.

First hand information on matters of great importance to cities, now before the state legislature were discussed by Mr. Miller.

### Ray Cree Named on Grand Jury Panel

Raymond Cree, well known Village realtor, was among 30 men and women of Riverside county notified this week to appear in Department One, Riverside county court Feb. 14 at 2:00 p. m., when the 1944-45 grand jury will be drawn for the county. Nineteen will be selected from the 30 drawn for the jury.

## Masons Hear Tale Of March Field at Interesting Rally

Col. Perry Griffith, executive officer at March Field, addressed members of the local Masonic club Tuesday noon at the Desert Inn, giving the interesting history of March Field, which was activated during World War I.

Kenneth Kirk introduced the speaker who wears the Legion of Merit medal and who saw active service in the south Pacific in this war before coming to March Field last year to take office.

In the years in between the wars, Col. Griffith said, March Field not only trained flyers but on several occasions did relief work in southland disasters such as the Long Beach and Santa Barbara quakes. Once they flew food in to a starving band of Indians trapped in New Mexican mountains.

Their present task is to train combat crews and most of their training is high altitude flying.

Bryson Amos, chairman of the DeMolay committee, urged all Masons to attend the DeMolay organization meeting Feb. 17.

A committee of past presidents of the club, Lloyd Simon, Francis F. Crocker and Carl Barkow, was named to nominate a new slate of officers for the coming year.

### Even the Comics Now Publicize Lure of Village

Ernest Alschuler, Chicago and Palm Springs resident, is an assiduous reader of the comics as well as all other sections of his newspaper. Therefore he discovered a new source of publicity for Palm Springs.

Back in Chicago, waiting for the day when he could take off for Palm Springs and his winter home here, he was reading the Moon Mullins strip in the Chicago Tribune when suddenly the word PALM SPRINGS hit him right in the eye.

Old man Mullins, according to the strip story is hiding some photographs from his wife, saying they were merely scenic shots a friend had sent him from Palm Springs but Moon Mullins spoils it by raving over the blond in the picture. Thereby Pa's planned trip to Palm Springs—alone—is cancelled by Ma.

Walter Kofeldt, secretary of the Chamber of Commerce to whom Mr. Alschuler referred the comic strip said it was a new one, but a welcome one—advertising in a comic strip.

### Interesting Services At Torney Tonight

At services tonight at 8 o'clock at Torney chapel, Col. G. C. Pearson, chaplain of Torney General Hospital will introduce the new chaplain of the 21st Ferrying Command, Capt. Pharold C. Northup.

At this time he will also present a speaker who has just returned from active duty in the Pacific. The public is invited to attend with those in the armed forces.

Language is the only instrument of science, and words are but the signs of ideas.

## New Group Starts Training to Serve As Nurses' Aides

A new Volunteer Nurses Aide class including in its ranks several notables, got underway Wednesday morning at Torney General Hospital with Miss Ann Vogler, R. N., as instructor. Col. A. B. Jones, commanding officer at Torney, addressed the class briefly telling them of their responsibilities and the duties expected from them.

Enrolled in the class are Mmes. Paul Lukas, Melvin Kemp, Jo Ann Page, Bernard Kuhn, Karl Didricksen, W. W. Gartrell, Frank Bull, Jack Childers, Charles Cotton, William Rogers, Edward Barker, Louis Olshansky, Harry Dart, Harry Febich, Herbert Baker, Dane Tansel, the Misses Kay Ross (she's cashier at the Colonial House on duty from 4 p. m. to midnight and has given 16 pints of blood to the blood bank but still finds time to attend the Nurse's Aide class) Willie Roberts and Dorothy Huebl (they're taking a month's vacation from their jobs here to attend the classes), and Janet Johnson, niece of Edward Johnson, manager of the Metropolitan Opera company.

Mrs. Melba Bennett is chairman of the Volunteer Nurse's Aide committee of the Palm Springs Red Cross.

### Leonid Fink, Noted Artist, is Visitor

Leonid Fink, well known society artist and photographer, now a resident of Seattle, but formerly of Palm Springs, has returned to the Village to spend a month.

He is a guest at the Kona Inn.

Let friendship creep gently to a height; if it rushes to it, it may soon run itself out of breath.

## Profusion of Flowers Greeting Guests At Desert Inn This Week With Lobby Of Hotel Beautiful Mass of Blossoms

Lobby of Desert Inn is a breath-taking sight this week with its profusion of pink and white fruit blossoms. A large flat arrangement is placed on one of the center tables, and the two large urns at the entrance to the dining room are filled to bank the wall with massive groups of the beautiful flowers. Many of the blossoms are the lovely early almond blooms gathered from Mrs. Nellie N. Coffman's summer estate "Lazy Acres", located near Banning.

Mr. and Mrs. Edward R. Gay, who have been sojourning at Desert Inn for the past two weeks, left for their New York home. Mr. Gay will resume his former duties as vice president of St. Regis Paper company on Feb. 5. An announcement of his return was made this week in the New York Times by the company's president R. K. Ferguson. Being one of the first to assist in directing the nation's economy during the war period, Mr. Gay served first as chief of the industrial programs branch, Office of Civilian Supply, and later was director of the General Commodities Division, WPB. Following his government assignment, he came to Palm Springs to rest before returning to enter his former business.

### FROM NORTHWEST

Mrs. Gilbert LeBaron Duffy, whose family for many years have been owner of one of the northwest's finest newspapers, The Seattle Times, arrived to spend the remainder of the season at Desert Inn as is her yearly custom. Accompanying Mrs. Duffy is her daughter-in-law, Mrs. Gilbert LeBaron Duffy, Jr., (her son being in the South Pacific), her little grandchild, and Miss Ellen Reardon.

At the Saturday evening dinner dance in De Anza room Mrs. Duffy presided at a table for a number of friends vacationing here from Washington state. In the group were Alexander Bailey and daughter, Mrs. Jessie Ripley; Mr. and Mrs. Harry K. Todd, all from Tacoma; Mr. and Mrs. H. F. Ostrander and their daughter, Mrs. Stuart Ballinger; Miss Virginia Varnell all Seattle; Miss Lane, of Williamsburg, Va.; Mrs. Duffy, Jr., and Miss Reardon.

Mr. and Mrs. H. S. Graham, who are visiting at the Inn from Sebastapol, north of San Francisco, invited a group to dine with them on Friday evening. Seated with the host and hostess were Dr. and Mrs. Richard Scofield, of Sacramento; Mr. and Mrs. Ben Paris, Seattle; and Mr. and Mrs. Harold Eckart; Mr. Eckart is owner and manager of the Petaluma Hotel in northern California.

### HOSTESS AT DINNER

Mrs. Ralph Huesman came down from Bel Air accompanied by Mrs. Willard Shepherd for a week's stay. Mrs. Huesman is especially partial to Palm Springs this winter as her daughter, Mrs. Robert Marcato (Carol Huesman) is residing here now while her husband is stationed at Torney hospital. One evening during Mrs. Huesman's stay she entertained with a dinner party at Desert Inn. At her table were Mr. and Mrs. Coulter McKeever, San Francisco; Dr. and Mrs. H. N. Rooney, of Los Angeles, also guests at the Inn; Mr. and Mrs. Marcato and Mrs. Shepherd.

Yakima, Wash., has quite a representation this month at Desert Inn. Mr. and Mrs. C. H. Woodin checked in late in January to stay one month in Palm Springs. Also here from that northern town are Mr. and Mrs. W. E. Draper, who will stay through Feb. 6 to complete a two week visit on the desert.

### Noted Actor of Old Silent Days Visits Village

William Farnum famous actor of the old silent days, and Mrs. Farnum, also a star of the silents, were in town this week as guests of Robert E. Callahan, novelist.

They arrived last weekend and are staying at the Apache Lodge. It was Mr. Farnum's first visit in Palm Springs in twenty years. At that time he brought the first movie company to use the Village as location for a movie here.

He said he was rather afraid to come back having read of all of the activity here and being fearful that growth had robbed the Village of its original charm. But being here, he says, he's overjoyed to find it still the same old Palm Springs despite its growth.

Between levity and cheerfulness there is a wide distinction; the mind that is most open to the former is frequently a stranger to the latter. —Blair

**VISITOR**—John Claire Monteith, noted lecturer who has told thousands about the local desert, now visiting here with Mrs. Monteith.

## Noted Lecturer and Wife Visiting Here To Gather Material

Mr. and Mrs. John Claire Monteith, noted lecturers on the southwest, have returned to Palm Springs and will spend some time here exploring the local area and gathering new lore for their lectures which they have presented before audiences from coast to coast and from the Canadian border to the Gulf of Mexico.

Topic of the lectures which have attracted large audiences and many requests for return engagements are the "Deserts of the Southwest," "Western Wild Flowers," "Children of the Sun," "Alps of America," "Death Valley," "Summer Trails" and "Skiing in the High Sierras."

### LONG ON TOURS

They have been giving these lectures for the past seven years and before going east, lectured on the desert area up and down the west coast.

Before going east several years ago, Mr. Monteith was the soloist at the Easter Sunrise services, for different occasions and was the singer of Indian songs in costume at the Indian pageant in Tahquitz canyon.

### SPREADS VILLAGE FAME

His lectures have held the interest of large audiences in many eastern and mid-western hotels and clubs. He even lectured on California in Florida.

The Palm Springs area has been one of his most interesting talks and the most in demand. Views of the Village have been shown thousands and he has been instrumental in spreading the fame of Palm Springs afar.

To cultivate the sense of the beautiful, is one of the most effective ways of cultivating an appreciation of the divine goodness. —Bovee

Every trait of beauty may be referred to some virtue, as to innocence, candor, generosity, modesty, or heroism. —St. Pierre

## You'll Probably Never See One But Go Easy if You Do

If you see a cylindrical object, blue, about three feet long, with a fin attached like a four-bladed tail, let it alone!

Notify the nearest army base or the field ordnance officer at March Field and he will see that the object is removed.

It will be a practice bomb and though the chance of finding one is exceedingly remote, Col. Stanton F. Smith, commanding officer at March Field, warned civilians of the county that there is a possibility of finding such unexploded practice bombs at other than regularly designated desert bombing ranges.

### CHANCE IS REMOTE

Although it is very seldom and only in an emergency or accident that a training crew will drop one of these practice bombs Col. Smith wishes to take no chances of someone locating a bomb and not knowing what to do with it.

These practice bombs, before being dropped, are blue, three feet long, cylinder shaped with a fin like four bladed tail and can cause serious injury to persons unfamiliar with the handling of them.

### DIFFICULT TO SEE

The bomb after striking the ground might be split open or be buried in the ground with only the tail protruding, making it difficult to recognize as a bomb.

Persons discovering one of these bombs, should under no condition attempt to handle it, but should notify the March Field Ordnance Officer of the location of the bomb and their name and address. He will take immediate action to safely remove the bomb.

### Lesson on "Love"

"How excellent is thy loving-kindness, O God! therefore the children of men put their trust under the shadow of thy wings." This verse from the Psalms will be the Golden Text of the Sunday Lesson-Sermon on "Love" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

In reply to a lawyer's question, "Who is my neighbor?", Jesus, according to a Bible selection from Luke, told the story of a man who "went down from Jerusalem to Jericho, and fell among thieves, which stripped him of his raiment, and wounded him, and departed, leaving him half dead." A priest and a Levite "came and looked on him, and passed by on the other side. But a certain Samaritan, . . . came where he was: . . . and bound him to an inn, and took care of him." When Jesus asked the lawyer which of these three was neighbor to the injured man, he answered, "He that showed mercy on him. Then said Jesus unto him, Go, and do thou likewise."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "The supremacy of Spirit was the foundation on which Jesus built. His sublime summary points to the religion of Love."

**FAR FROM PRIMITIVE**—Army nurses recently returned from overseas for treatment at Torney General Hospital find the hospital garden a pleasant place to relax after many months duty at primitive outposts. Left to right, 2nd Lt. Aletha Bell of Vernon, Texas; 1st Lt. Sylvia Swanson, St. Paul, Minn. and 2nd. Lts. Mary Moser, Minden, La.; Myrth L. Ashworth, Hammond, Oklahoma and Geneva Campbell Yates Center, Kansas, all of whom have seen extended duty in the Southwest Pacific.

## All States Day Slated Sunday at Community Church

All-States Day will be observed Sunday morning at the Community church when the annual geographical census will be taken by Dr. J. R. Macartney, pastor. During the service, the roll call of states will be made and as each state's name is sounded, natives of that state will rise to be counted.

Much interest is manifest each year in this census. Washington state, which is well represented in Palm Springs this winter, is expected to nose out some of the eastern states which were near the top in the previous years.

### SIXTH ANNUAL CENSUS

Sunday's geographical census will be the sixth.

On February 11, Dr. Macartney will take a count to learn the different faiths represented in the congregation, calling the roll by denominations.

Topic of Dr. Macartney's sermon Sunday morning will be the "Best Loved Character in the Old Testament".

### SINGFEST IS LATEST

The sermon topic Sunday evening will be "Where Do Disembodied Spirits Go and Will We Know Each Other in the Spirit World?"

Moving picture for Sunday evening is entitled "A Man of Faith." Accompanying it will be two colored films on famous hymns.

A new feature of the Sunday evening service is the singfest each Sunday evening after the regular services when service men and their wives gather around the piano for favorite hymns.

Two Christian Endeavor societies convene at six o'clock Sunday evenings, the Junior C.E. and the Senior C.E.

## Five from Village Hear Archbishop of Canada at Redlands

Five Villagers, members of St. Paul's in the Desert, Episcopal church, journeyed to Redlands Thursday night to hear the Archbishop of Toronto, Primate of All Canada, the Most Reverend Derwin T. Owen.

Going from here were the Rev. Robert M. Hogarth, Deaconess Ethel L. Spencer, Mrs. Eber D. Kanaga, Mrs. Frank S. Roberts and Major Clarkson.

Deaconess Spencer found the trip a reunion with old friends for she grew up in Toronto and went to school with both the Archbishop and his wife.

Tuesday of this week the Archbishop visited Palm Springs and inspected St. Paul's. He signed the registrar at the local church.

## Several Army Nurses Included Among Overseas Patients Now Convalescing In Desert Climate at Torney General

Included in the large number of patients who have recently arrived at Torney General Hospital from overseas hospital centers have been many Army Nurses.

Women who recognized at the beginning of the war the nation's need for highly skilled personnel to care for the injured, and who subsequently served for many months in Alaska the Southwest Pacific and the European theater are now relaxing at Torney.

### INTERESTING STORIES

All have brought back with them interesting accounts of the life in distant places and the ability of American women to adjust to circumstances and living conditions which in many instances have been somewhat grim. Practically all express a desire to return to overseas duty if they are permitted, and indicate that they will request to be sent back at the conclusion of their hospitalization.

Admitting that they often worked long hours in climates which were strange and to which they became accustomed slowly, they also declare that their experience has been the most worthwhile of a lifetime.

### ATTITUDE IMPRESSIVE

Typical of their reactions is that of 2nd Lt. Myrth Ashworth of Hammond, Oklahoma, who was on the nursing staff of the Good Samaritan Hospital in Los Angeles before going overseas 20 months ago, serving six months on a hospital ship evacuating battle casualties and 14 months in New Caledonia where casualties from the Munda campaign were hospitalized. "One thing that impressed me particularly was the attitude of the men going into combat," she said. "Some of them were afraid, but nothing would have kept them from going. Then too they were so grateful and seemed so glad to have us there. However the most interesting of all experiences were the hours before docking at San Francisco" she added. "When we came to the Golden Gate Bridge all the patients who could walk rushed to the bow of the boat and hung over the railing, waving and wildly yelling—there was such a jam we sometimes thought the boat might be top heavy."

In the New Caledonia area nurses lived at first in tents—then later in grass huts, two sharing a hut. Seabees and Marines helped to construct most of their furniture from orange crates, she said.

A good man is the best friend, and therefore soonest to be chosen longer to be retained; and, indeed, never to be parted with. —Jeremy Taylor

The Desert Sun—11

## World-Wide Day of Prayer Scheduled For Feb. 16 Here

St. Paul's in the Desert, Episcopal church, will take part in the World Wide Day of Prayer, Feb. 16, with special prayers and intercessions at the church, 125 West El Alameda between the hours of 3:30 and 4:30 p. m. to which the public is invited to attend.

Deaconess Ethel G. Spencer, 1945 Chairman for the World Day of Prayer in Palm Springs, urged all to participate, saying: "At this time of world agony many are turning to prayer, and are longing for fellowship such as can be found in this Community Day of Prayer in union with the whole wide world. Yet probably many do not know about this day, Friday, February 16, being set apart as a day of Prayer for the whole world. Since 1920 the first Friday in Lent has been set apart as a World Day of Prayer and now 51 countries receive and use one universal form of service intended to bind us further into One Family on this one day. The World Day of Prayer Committee is inter-racial, inter-national, inter-denominational. They write, 'This can be one way of creating a warmer post-war world right where you are.'"

## Original Sin Will Be Topic of Talk By Rev. Hogarth

The Rev. Robert M. Hogarth, vicar of St. Paul's in the Desert Episcopal church, will preach next Sunday morning on "Original Sin", the second in the Lenten and pre-Lenten series on "Confessing Our Sins".

"The 'Original Sin' that we have to worry about," he said, "is the kind that has its origin with us."

St. Paul's in the Desert has just acquired a useful addition to its building, a choir vestment closet and a large storeroom. Designed by Architect Albert Frey as an extension of the office porch, it was constructed in complete harmony with the main building by H. L. Hansen.

For Essential Transportation—Yellow Cabs. Phone 4444.

# Cathedral City

By W. R. HILLERY

Without knowing all the important events that effect our village this month, I would list the following three as very important:

First there is the monthly meeting of the Chamber of Commerce on Tuesday evening, February 6, but at this meeting the Civic Improvement Association has secured for a speaker, K. Irving Marshall, C. E., who is the planning technician for the Riverside County Planning Commission. Mr. Marshall is coming at the invitation of the C.I.A., extended through its president, Frank C. Russell. Everyone in the village should attend as the general scope of planning is to be discussed.

Another important speaker who will follow Mr. Marshall will be Assemblyman Boyd, who will give us information about matters that concern our area, flood protection and fire prevention. Again we urge everyone in the village to be at Town Hall, Tuesday, Feb. 6, 1945.

The second event follows the next night when Professor Sterling of Cal. Tech. heads the forum lecture at the Frances Stevens schools in Palm Springs. This is another fine evening of entertainment that costs you nothing but the effort. Our high school is the sponsor.

The third is the Cactus Jumpers' Jamboree that will be held in the Town Hall on February 24. Just list that evening for lots of fun.

The many friends of Dr. E. M.

## Get Acquainted With Your

## Village Businessman

Now comes Gordon Nicholson, owner of Nicholson's, 258 North Palm Canyon drive, for the past 13 years. He also has similar shop at Idyllwild which he operates during the summer months.

This week's business man was born in the middle of 640 acres of wheat in North Dakota and like all others who can make it, came to California. First went to Long Beach where he engaged in the Home Supply business and soon visited Palm Springs. Liked the desert so well, he used to make week-end trips (you could get the gas then). On one of these tours, Ray Cree, of the then Cree and Chaffey Realtors, got him backed up against a wall and sold him property. He has never regretted it.

Is a member of the board of trustees of the Community Church, board of directors of the Lions club and is active in many civic affairs and on civic committees.

He runs the business and his wife, Vera, runs the home which was made noisier by two sons who have grown up now. Both are Palm Springs high graduates. Clarence is here in the Village with them and Gordon R. is in headquarters company of the 116th Engineers "somewhere in the South Pacific."

When Mr. Nicholson was asked about himself for this little opus it was with difficulty that the facts about him were gleaned. He wanted to talk about his sons. Just like a man.

can get along without some winter heating. Our local supply has folded up and anything that passes for fuel is being consumed. Last week one of our winter guests was discovered cutting down Smoke trees. He was probably one of several who had gone foraging for wood. He frankly said he knew of no laws nor penalties for cutting or destroying desert growth and was sorry to have committed an unlawful act. We that live here through the years, forget that desert lore and rules are not known to the newcomers. Probably many of the signs that have in the past been placed along the highways are now down or destroyed. We are trying to encourage B. T. W. Harris who is the pick-up man for the village to also bring us wood. He wants a depot for storing fuel and even runs into difficulty along this line on the Reservation.

having a large supply of material on hand, there is an urgent need for workers at this time. Delicious refreshments were served at the close of the meeting by the following hostesses: Mrs. Ruth Childs, Mrs. May Lacey, Mrs. Elizabeth Bean, Mrs. Blanche Davis and Mrs. Nadine Vorhees.

### CHURCH NOTES

Nearly one hundred attended the January pot-luck supper of the Community church. Afterward, Mr. W. M. Davis of Palm Springs gave moving pictures in technicolor of Hawaii. Mr. Davis was in Honolulu when the Japs struck and has visited the islands many times. While there he took exceptionally fine pictures of places of interest, people, flowers and agricultural products. His comments on the pictures added interest and enjoyment. During the exhibition, Hawaiian melodies were played. We are greatly indebted to Mr. Davis for an evening of unusual pleasure.

The church is now engaged in raising funds to maintain its work. The membership is small and the support of visitors and residents is solicited. Voluntary contributions will be greatly appreciated. The Sunday service is held in the Town Hall at eleven o'clock.

Nature pleases, attracts, delights, merely because it is nature. We recognize in it an Infinite Power. —W. Humboldt

### RED CROSS NOTES

The monthly business meeting of the Cathedral City Unit of Red Cross was held Monday, Jan. 29, with 20 members present.

Following is the report for the month of January: surgical department with Mrs. Jennie Rucker in charge. Average number of workers, 10; number of hours, 236; bandages completed and turned in to Palm Springs, 3006.

Sewing department with Mrs. Ruth Childs in charge: average number of workers, 7; number of hours, 151; 274 hours of home sewing. Work completed: 10 utility bags, 4 pairs pajamas, 8 bath robes, 3 quilts, 2 knee robes and 3 pair of slippers.

Our season being so short and

## Too Many Motorists Ignorant of Law On School Bus Stops and Action to Correct Situation Taken by Police

Too many Villager autoists do not realize there is a section of the state motor vehicle code which provides that motorists must stop when approaching a school bus loading or unloading passengers FROM EITHER DIRECTION.

George L. Bond transportation and bus manager for the Desert School district, said today that most motorists stop and then proceed slowly when they come upon a school bus from the rear but zoom blithely on at unreduced speed when going in the opposite direction.

"The state law," said Mr. Bond, "provides that when you come to a school bus that has stopped on the highway to take on children or to let them off, you must stop if you are coming from EITHER DIRECTION. After you have stopped, you may go past at a speed not to exceed ten miles an hour."

Mr. Bond said the situation was especially grave along Tamarisk and Ramon road. On these two roads, he said, motorists traveling in the same direction generally stop and proceed by slowly but drivers in the opposite direction speed on past despite the fact that many of these youngsters have to cross the street.

Chief of Police Lyle J. Sanard warned that this section of the vehicle code will be strictly enforced here.

### Not Guilty

Roger Kemble, despite his long and intimate association with the theater, strictly forbade his daughter to marry any actor. Came the day when he learned that she had secretly eloped with a member of his own company. Furious, he summoned her into his presence and began to scold her. The blushing bride insisted that she had not disobeyed her father's wishes.

"What!" stormed Kemble. "Have you not allied yourself to about the worst performer in the entire acting profession?" "Exactly so, father dear," was her gentle reply. "Nobody can call him an actor."

Be cautious with whom you associate, and never give your company or your confidence to those of whose good principles you are not sure.

—Bp. Coleridge

## School System Changes Urged By Dr. Oertel

Dr. E. E. Oertel spoke to the Palm Springs Lions club at their meeting yesterday noon at the Desert Inn on the inclusion of moral and spiritual training in the nation's schools.

He cited statements of several noted authorities, national educational leaders, on both sides of the question.

Charles J. Burket, president, presided.

We are more sociable, and get on better with people by the heart than the intellect.

## NOTICE

Sealed Bids will be accepted by the Postmaster through Monday, Feb. 5th, for Mail Messenger Service between Postoffice, Cathedral City and Palm Springs Railway station.

## Don Pasnau, Widely Known Dancer, Opens Classes Here

Don Pasnau, dancing master, who has come to Palm Springs from the Waldorf Astoria in New York, has opened a new studio of the dance at the Desert Inn. He will teach not only Latin American Rhythms which he brought to the States from Havana, Rio

DON PASNAU

de Janeiro, and Buenos Aires, but all popular types. Mr. Pasnau, teaching with the famous Evelyn Ribbell of Irene and Vernon Castle fame, has conducted the finest classes for children in New York city.

The widely-known dancer, after receiving his degree from college, set out on a jaunt to the far places of the earth, traveling extensively in the South Sea Isles, Australia, Japan, China, Malaya States, Ceylon, India, Africa and Europe.

He was enroute to Alexandria, Egypt, when Italy declared war on Great Britain and after weeks spent at the Shepherd Hotel in Cairo, completed his last work in foreign countries, returning to the United States.

## Local Garageman Held in Car Sales

W. F. Denham, local garageman, will go to court Feb. 23 on charges of selling automobiles without a dealer's license after charges were filed against him by Investigator Joe A. Plank and Capt. Thad Wilson of the California Highway patrol.

Denham pleaded not guilty to the charge when arraigned before Judge Guy Pinney here.

He is defended by Attorney Sol Ruskin.

## Monday Deadline For New License Plates, Warning

Have you your black plate with the white numerals?

Or have you applied and sent in the necessary wherewithal?

If not, do it now.

Monday is the deadline for applications for 1945 license plates and those who do not apply—and pay—by then must pay double later.

The amount to send in to the motor vehicle department may be found in the lower left hand corner of the white slip—which must go in with the cash.

Applications for plates in person may be made at 3252 Seventh street, Riverside.

Captain Thad Wilson of the county office of the motor vehicle department, said that 5,000 more plates had been received which should be enough for all applying.

But—he warned—do it at once.

## Rationing Rules

### Your Coupon Schedule

Shoes—Airplane stamps 1, 2 and 3, Book 3, good for one pair shoes each, no expiration date.

Sugar—Stamp 34, Book 4, five pounds, no expiration date.

Canned Foods—Blue stamps for processed foods, each worth ten points: X5 to Z5, A2 through G2. Blue stamps H2 through M2, will be good next Thursday.

Meats, Etc.—Red stamps Q5 to X5, Y5 and Z5, A2 to B2.

Gasoline—Coupon 14, A books, good today for four gallons each. Expires March 21. Coupons must be endorsed before presentation.

Grease Bonus—Butchers will give two red tokens for every pound of salvaged kitchen fats received.

Mileage Ration Slip—Save your mileage ration slip for presentation with application for supplemental gasoline.

### THAT MAN'S A HERO

... If he's wearing a watered-silk service ribbon with a band of scarlet, stripe of dark blue, band of white, stripe of dark blue and a band of scarlet...

This indicates he was decorated for "distinguishing himself by exceptionally meritorious service to the government in a duty of great responsibility" while serving with the Army, it was announced today at headquarters, Ninth Service Command.

The Desert Sun—13

## Widely Known Radio Commentator to Address Second Public Forum Audience At Frances Stevens School Wednesday

Dr. J. E. Wallace Sterling, Professor of Modern History at California Institute of Technology and KNX news analyst, will appear as second speaker in the current series of the free public forum meetings being held in the auditorium of the Frances Stevens School. He will speak next Wednesday evening (February 7), starting at 7:30. Dr. Sterling's subject will be "What About American Foreign Policy?" The mid-winter forum series is centered around the theme, "Are We Winning the War?"

On January 18, Manchester Boddy gave the first program in the series. His public forum meeting drew an audience that taxed the capacity of the Frances Stevens School auditorium. Certified attendance cards were turned in by 318 persons. Mr. Boddy delivered two orientation lectures at Torney Hospital under the auspices of the local high school district to a total of 465 officers, enlisted men and patients.

### RECOGNIZED AUTHORITY

Dr. Sterling is a widely recognized authority on world affairs. He has done special research in the history of the British Commonwealth. His lecture work is devoted in the main to an analysis of war strategy and postwar problems. He was formerly on the Research Staff of the Hoover Peace and War Library. He is considered one of Southern California's most successful lecturers on current political affairs.

Rabbi Edgar F. Magnin of Los Angeles will follow Dr. Sterling

in the current series on Thursday evening, February 15. Rabbi Magnin has had numerous requests to appear on other programs in Palm Springs during his coming visit here but has declared his intention of appearing exclusively for the public forum meeting.

### ON WEDNESDAY

Dr. Ernest E. Oertel, moderator for the forum programs, and principal of the local high school, points out that Dr. Sterling's meeting next Wednesday will be the one exception to the usual practice of having forum meetings on Thursday evenings. Dr. Sterling has a radio program on Tuesday and Thursday evenings, and the Wednesday date was the only one that could be arranged. It was believed that his message would be so appropriate in the mid-winter group of lectures that this deviation from the usual schedule should be permitted.

## A Real Investment

90-Ft. FRONTAGE ON PALM CANYON for Business or Income Property. The Location is Excellent, the Price is Right and it Would be Wise to Investigate Immediately.

## Field For 10th Annual Invitational to Be Split

### Five-Day Tourney Arranged to Take Care of Entries

By "FOLLO-THRU"

At a meeting of the golf committee of the O'Donnell golf club, who are in charge of the Tenth Annual Invitational Golf Tournament, it has been decided that, to allow local winter guests to compete for the prizes, it will be necessary to split the field into five days of golf. Wednesday and Thursday, February 14 and 15, for all resident and local golfers, with the exception of the low handicap players who will figure in the cuttata event. Any player who wishes to enter the tournament, can do so by registering at the club house. Entries must be in by February 10. Pairings will be made for all contestants.

#### IN SENIOR EVENT

The senior event will take place on Friday, February 16 and many previous winners have already entered. The defending champion, B. J. Bridgeford, is playing the course regularly and will not give up his crown easily. J. S. O'Neal, who has been runner-up, is now playing the best golf of his career, according to the boys from Annandale. D. P. O'Keefe, past senior champion, will be plenty tough. Fred Krebaum, a champion from Santa Barbara way has entered.

Guy Hanson from Lakeside, who has led the seniors in Los Angeles events will really be the one to defeat and he is capable of winning the big event also. The same can be said for Jack Ballinger of Seattle as regards to the senior tourney, as he has won the title in the Pacific northwest. Also in the running is Walter Forvague from Aberdeen, Wash.

#### MUCH COMPETITION

One can expect good golf in the championship proper, and there is going to be a lot of competition from the class of entries now in. John Dawson, Lakeside, L. A., sometimes called the king of amateurs, really is out to win this event. Jimmy French, one of San Francisco's leading golfers and who holds the Palm Springs amateur course record, 62, will be here. Oliver Sleppy, who finished first amateur in the Los Angeles Open. Ralph Evans, always a top flight tournament winner and Carl Hammond can all put together two good rounds. Bel Air Country Club is sending their three top men, Fletcher Jones, Capt. Anderson and their club champion, Dr. W. B. Clappell. Sgt. Oliver, scratch player from Texas, and Buck Weaver, defending champion, will be here.

The cuttata pool will be held in the lounge of the Desert Inn, Friday evening, February 16, at eight o'clock and will be lively with spirited bidding. J. E. French, chairman of the affair, has good auctioneers to sell the leading players. The "field" should be the outstanding buy, including men like B. J. Bender, Omaha, Neb., Ben Shearer, Seattle, Jim Roberts, L. A., Fred Krebaum, Santa Barbara and seventy others.

READ THE CLASSIFIED

### Along the Fairways---

By "FOLLO-THRU"

The other day, one of our crack winter resident golfers, after returning from San Francisco, was ready to "burn up" his clubs or turn them in for a deck of cards with which to play solitaire but the following day he "burnt up" the fairways and his putter became a magic wand. Ah me. Such is golf.

How about a hole-in-one pool for season ticket holders to split between lucky players at the end of the season. On the O'Donnell golf course holes-in-one are quite common—John Hamrick, Dr. Hunter and Dave Triplett each got one recently. John on number three and the Dr. and Dave got theirs on number five. In pre-war days a player making a hole-in-one was given gifts from various merchants as prizes—but now all they get is their handicap cut.

For mercy sake! C. Auffmordt's two miniature dashounds can find lost golf balls—one of them having sniffed seven out of the rough the other day. However, he didn't find the ball lost under dry cottonwood leaves. Reason! T'was opponents pre-war ball. Could be dog may find it later for papa?

A number of celebrities were seen on the O'Donnell golf course recently—Marjorie Reynolds, star of Duffey's Tavern; Mrs. Floyd Odum (Jackaline Cochran) who was the number one trans-continental flyer in the U. S. and who organized the Wasps at the Ferrying Command; Mr. Hertz of Kentucky Derby fame and owner of Ray Count; and Lt. "Buddy" Rogers, formerly of movieland.

Nice to see a family who are keen golfers. Mr. and Mrs. Max McKee of Detroit, their attractive daughter and son seldom miss a day on the links. It is also a pleasure to have many old favorite golfers like Mr. Ed Ellis and Mr. Roy Allen playing occasionally.

George Howard, our local pro, has gained quite a reputation, nationally as a golf instructor. Many of his pupils have cut their handicaps in half after a series of lessons. The ex-choppers and divot diggers enjoy going back to their home course after your instruction. George, and trimming the lads who used to take them regularly.

Clarence "Nattily dressed" Meyers, B. J. "Pelt That Pellet" Bridgeford, J. E. "Lucky Boy" French, J. W. "Honest Jim" McAlister are the golf clubs' most regular foursome—twelve noon almost every day. Carl "Smooth Swinging" Hammond alternates when here. A pretty fair bunch of golfers in any man's club.

#### County Continues State C. of C. Aid

County board of supervisors Monday voted to continue their aid of \$1,000 for the state chamber of commerce but voted down a request that the sum be boosted to \$1,500.

For Essential Transportation—U-Drive Cars. Phone 4444.

### Local Sportsmen Plan Fish, Game Conservation Club

To further promote Palm Springs as a "winter playground" a local Fish and Game Conservation chapter will be formed here next Thursday evening at a meeting at the fire station with the object of improving fish and game resources in this area, thus adding to the recreational activities.

Local sportsmen Harold Lienau, William Leonesio and Harry H. Mann started the ball rolling this week and have called a meeting of all Villagers interested in fishing and hunting for 8 p. m. in the room over the fire station.

#### WITH STATE GROUP

Officers of the San Bernardino chapter will attend and assist on formation of the local chapter. The San Bernardino club has a membership of more than 700. Nearby Banning has a club with 200 members. It is planned to affiliate the local chapter with the Inland Fish and Game Conservation association which has grown in the past few years to a membership of 150 chapters in the state.

Similar constitutions and by-laws are adopted by all clubs and all work for the same end—the betterment of fish and game resources in their respective areas and in the state.

#### OBJECTS OF CHAPTER

The object of the chapters are to work for the conservation of all natural resources, to encourage clean, wholesome outdoor life for the young people and make such recreation worth their while, to closely watch legislation affecting the above aims and to suggest remedies in legislation wherever possible and to promote a friendly spirit of community cooperation for the public good and welfare.

In addition to these objects, special attention will be given to stocking of trout streams and planting of quail and other game birds in nearby canyons and valleys.

#### PLAN GAME SURVEY

It was pointed out by the sponsors of the local project that with local representation, the state fish and game commission can be

### Post Basketball Team Downs Fast Marine Quintet

With a smooth-running offensive functioning throughout the game, the All-Stars of the 21st Ferrying Group base here defeated a scrappy Mojave air base Marine team 43 to 27 on the local floor last Saturday.

The local quintet got away to a flying start and headed their opponents 22-9 at half time. The Marines made a game of it in the second half but the Post team maintained a comfortable lead.

Pvt. Erny Watkins was high man with six baskets and two free throws for 14 points.

### Second Half of Hoop Loop Begun

The Administration Squadron got away to a flying start in the second half of play in the air base basketball tournament with a 39 to 33 win over the Bandies, while Torney, which tied for the first half crown but which was not qualified to share in the honors, dropped its first game to Operations Bombers 31 to 33 on an upset.

Supply and Service defeated Aircraft Maintenance 52-47 and Operations Officers, winners of the first half of the tournament, started off the second half in the win column with a 57-37 victory over the Civics.

### Mr. and Mrs. Fish Back in Palm Springs

Mr. and Mrs. A. G. Fish of Denver, Colo., are in Palm Springs at the Ingleside Inn. It is their seventh season in the Village.

Mr. Fish is president of the Midwest Steel and Iron Works, builders of many ships for war work. These ships are built high in the Rockies and then shipped to the Pacific coast for launching.

Mrs. Fish is prominent in woman's club work in Denver.

called upon to make thorough surveys of all wild life in this area and plant wherever possible, thus making the valley a mecca for sportsmen.

Coffee and doughnuts will be served at the conclusion of next Thursday's meeting, the sponsors announced.

### Air Base All-Star Basketball Team To Meet El Toro

The 21st Ferrying Group's All-Star basketball team, now championing at the bit since the cancellation of the Ferrying Division elimination cage tournament in Long Beach, will tangle with El Toro Marine Base five here at the Palm Springs Army Air Field gym, Saturday evening, 8 p. m., February 10.

The public has been invited to see the contest which will bring together two of the outstanding service basketball teams in the Southland. Villagers are cordially invited to attend and tickets, proceeds of which will go to the 21st Ferrying Group's athletic fund, will be on sale at The Desert Sun, Chamber of Commerce, Lykken's Store, Del Tahquitz Hotel and other places. The price of admission will be 60c, which includes Federal tax.

The 21st Ferrying Group All-Stars are determined to make it a double victory over the Marine outfits in this territory. Last week the local quintet defeated the Mojave Marines, 43-27.

### Largest Crop of Dates in County's History Harvested

Largest date crop in the history of the county is being harvested according to H. B. Richardson, assistant county farm advisor.

Between 12 and 14 million pounds have been picked from the gardens of Coachella valley and there remain four million pounds yet to be harvested.

"It's the largest crop in the history of the county," Richardson said "and the fruit is of good quality with the demand strong."

### Washington Univ. Regent Guest Here

Mr. and Mrs. Alfred Shemanski of Seattle are guests at the Ambassador hotel, planning to spend a month in Palm Springs.

Mr. Shemanski is a regent of the University of Washington, also president of the Eastern Outfitting company.

Words are not always the auxiliaries of Truth. The spirit, and not the letter, performs the vital functions of Truth and Love.

## Visiting Rotary Members Provide Program for Club

Rotarians had a gay time at their luncheon meeting Wednesday at the Desert Inn when the program was turned over to visiting Rotarians.

A. E. Bailey was program chairman for the day and introduced Col. Bill McKay of Seattle who acted as Master of Ceremonies and called upon the various Rotarians there from other cities to speak.

President Henry S. Reid, who presided, said that the next meeting of the club would be held at the Palm Springs hotel.

This meeting, Feb. 7, is changed in deference to the club women who are meeting at the hotel that day. Following meetings will be held at the Desert Inn as usual.

## Two from Village Go to County Jail

Two from Palm Springs were among six persons booked at the county jail Tuesday.

William M. Housley, 42, Los Angeles salesman, was arrested here and held for federal authorities with bail fixed at \$500.

Jewell Rocks, 21, was booked on a charge of vagrancy.

## Portrait of the Week

By BERNARD  
of Hollywood

This week the Portrait of the Week presents Judy Talmadge, a petit brown-eyed blond . . . born in Shreveport, La., 22 years ago . . . which accounts for that appealing southern drawl . . . Judy attended Louisiana Polytechnic Institute . . . She's a resident of Palm Springs now with her small daughter and her husband, Capt. E. F. Talmadge, an instructor at the local army air base . . . And she's a likely candidate for honors in the Portrait of the Season contest.

## Service Stripes Awarded Gray Ladies At Ceremonies at Torney General; 27 Win Reward for Long, Faithful Service

It was Gray Ladies Night at Torney General Hospital last Tuesday. With Chairman Mrs. Philip Boyd presiding, these charming women who are devoting their time to wounded men from many battle fronts were recipients of service stripes which are their award for work nobly done. Mrs. Clyde White, chairman of Voluntary Special services, American Red Cross, made the awards.

First year service stripes to the Third Group of Gray Ladies who have been trained at Torney General Hospital were awarded to:

Mesdames Theodore R. Cadwalader Alice Guthrie, Harry Hanbury, Barney Johnson, Marion Miles, Harold Murphy, Frank Purcell, Stanley Rosin, William Stern.

Also to the following who were out of town: Mesdames Franklyn Alcott, Jr., Elbert Brock, Norman Clendenen, Virginia Moller, Agnes Reeves, M. E. Schwab.

### SECOND-YEAR STRIPES

A one year service stripe was also awarded to Gray Lady Mrs. Jere Du Bose, now a non-resident who has transferred to another Corps.

Second year stripes to the First Group of Gray Ladies were awarded to Mesdames Philip Boyd, Francis F. Crocker Merrill Crockett, Charles Henderson, W. Lee James, Walter McManus, Hortense Murray, Culver Nichols, Frederick Watson, and also to Mrs. Bacon L. Clifton and Mrs. Earl Gibbs who are out of town.

### ANALYZE G I BILL

Another interesting feature of the evening, and one which held the closest attention of the Gray Ladies and their guests was the comprehensive analysis of the G. I. Bill of Rights by Lieutenant

## Open Verdict in Olson Shooting

Coroner's jury which Tuesday studied the fatal shooting of John Olson, 72, at his lonely ranch home near 29 Palms, returned an open verdict.

Olson died at Torney General Hospital here when he was found four days after the shooting. E. E. Emmery, an asserted AWOL soldier, is being held for the shooting which occurred on Jan. 12.

Emmery's preliminary hearing on a murder charge was set for Feb. 6 at arraignment in Redlands yesterday.

Alfred E. White. Although there are many parts to the bill, Lieutenant White especially stressed education, loans and re-employment.

Private Ruth Borden, Educational Reconditioning branch, discussed the United States Armed Forces Institute, located at Madison, Wisconsin. This important educational service known as USAFI is steadily growing in popularity with the men and women in the armed forces since it gives them an opportunity for self-teaching through the channel of well-planned correspondence courses.

## Two Communities Would Quit Flood Control District

Advisory committee of the proposed Riverside county flood control and water conservation district, were studying new changes in the boundaries of Zone 6 of the district following appearance of a delegation from Desert Hot Springs and Garnet before board of supervisors Monday asking that their area be excluded from the zone.

### CLAIM IT'S NEWS

The Desert Hot Springs-Garnet district was represented by L. W. Coffee, R. T. Proebstel and R. H. McDonald. They declared their communities had not been consulted prior to formation of the zone and that they did not wish to join in the formation of the flood district.

Supervisors consulted with County Surveyor A. C. Fulmer on boundary changes necessary to exclude the district and then referred the matter to the advisory committee of which Culver Nichols of Palm Springs is an ex-officio member.

### BILL PREPARED

The request followed by one week the re-formation of the proposed county flood district. The original proposal had been a county-wide district including eight zones. This later was cut to six zones when the eastern end of the county withdrew. In the new smaller district Zone 6 consisted of Palm Springs, Cathedral City, the Desert Hot Springs-Garnet area and White-water. The new district was approved last week and a bill to create the district sent the county's legislators, Senator Nelson Dilworth and Assemblyman Philip L. Boyd, the latter of Palm Springs.

## Red Cross Starts First Aid Course Tuesday Evening

The Palm Springs Unit, American Red Cross announces that instruction in First Aid will begin next Tuesday evening, February 6, at 7:30.

Registered students will meet in the cafeteria at the Frances Stevens grammar school on Tuesday and Thursday evenings of each week until the course is completed. Dr. L. M. Wilbor of Cathedral City is the instructor.

Those who have not yet registered and desire to do so, are requested to call at Red Cross Headquarters prior to the opening date. A knowledge of First Aid is of vital importance in peace-time as well as war-time, and since this class is open to the public, all, who can, should take advantage of it.

## El Chico Will Open Tonight as Dine, Dance Spot

Harvey and Ruben Guevara, well known musicians who have made many records with Harvey at the piano and Ruben, vocalist, announce that they will open their El Chico cafe, formerly the Twin Palms cafe, 693 South Palm Canyon drive, this evening.

Harvey Guevara will act as Master of Ceremonies for the floor show to be staged nightly. Music for dancing will be by the Rhythm Boys.

Spanish and American dinners will be served. Some of the most popular of the records recently cut by the pair are "Melancholia" and "Duenas".

Language is the armory of the human mind; and at once contains the trophies of its past and the weapons of its future conquests. —Coleridge

Without knowing the force of words, it is impossible to know men. —Confucius
